 To respect myself and others too
 To know and to use my gifts and skills
 To protect our common world
 To live with courage and strength
 And to share in the joys

Guide Law Song

Taps English
 Day is done
 Gone the sun
 From the sea
 From the hills
 From the sky
 All is well
 Safely rest
 God is nigh

Taps French
 C'est la nuit
 Tout se tait
 De la Mer,
 Les collines,
 Et du Ciel,
 C'est la paix
 Tout est bien
 La paix vient.

Daylight Taps

Thanks and praise
 For our days
 Neath the sun
 Neath the stars
 Neath the sky
 As we go
 This we know
 God is nigh

Guiding Modern Girls Kristine Alexander, 2017-11-15 Across the British Empire and the world the 1920s and 1930s were a time of unprecedented social and cultural change Girls and young women were at the heart of many of these shifts which included the aftermath of the First World War the enfranchisement of women and the rise of the flapper or Modern Girl Out of this milieu the Girl Guide movement emerged as a response to popular concerns about age gender race class and social instability The British based Guide movement attracted more than a million members in over forty countries during the interwar years Its success however was neither simple nor straightforward Using an innovative multi sited approach Kristine Alexander digs deeper to analyze the ways in which Guiding sought to mold young people in England Canada and India She weaves together a fascinating account that connects the histories of girlhood internationalism and empire while asking how girls and young women understood and responded to Guiding's attempts to lead them toward a service oriented useful feminine future

Marilyn Yurdan, 2011-11-30 What was life really like in a grammar school in the 1950s and 60s For those educated at a grammar school during their heyday this time holds very special memories They were more than just the years of being taught Latin and domestic science custard and semolina school dinners and learning about the birds and the bees they were the formative years of a generation when those from all walks of life were given a uniform a code of behaviour and most importantly pride in the institution to which they belonged This generation of Baby Boomers holds a unique place in British history growing up during the years when the country was emerging from the shadow cast by the Second World War they were the first youngsters to benefit from the mod cons and innovations which were gradually being introduced With fascinating memories and details that will resonate with thousands of grammar school pupils across the country School Songs and Gymslips is a heart warming collection of the experiences of the author and her contemporaries during a golden era

The Letters of T. S. Eliot Volume 7: 1934-1935 T. S. Eliot, 2017-05-30 T S Eliot s career as a successful stage dramatist gathers pace throughout the fascinating letters of this volume Following his early experimentation with the dark comedy Sweeney Agonistes 1932 Eliot is invited to write the words of an ambitious scenario sketched out by the producer director E Martin Browne who was to direct all of Eliot s plays for a grand pageant called The Rock 1934 The ensuing applause leads to a commission from the Bishop of Chichester to write a play for the Canterbury Festival resulting in the quasi liturgical masterpiece of dramatic writing Murder in the Cathedral 1935 A huge commercial success it remains in repertoire after eighty years Even while absorbed in time consuming theatre work Eliot remains untiring in promoting the writers on Faber s ever broadening lists George Barker Marianne Moore and Louis MacNeice among them In addition Eliot works hard for the Christian Church he has espoused in recent years serving on committees for the Church Union and the Church Literature Association and creating at Faber but she refuses to comprehend that her husband has chosen to leave her and stalks him across literary society leading to his place of work at the offices of Faber Faber The correspondence draws in detail upon Vivien s letters and diaries to provide a picture of her mental state and way of life and to help the reader to appreciate her thoughts and feelings

Plays to Act and how to Act Them British Drama League. Community Drama Committee, 1925

Lilibet Carolly Erickson, 2007-04-01 In Lilibet master biographer Carolly Erickson turns her skill at writing un put downable narrative to telling the remarkable story of Elizabeth II Queen of England With her customary psychological insight historian Erickson traces the queen s gilded but often thorny path from her overprotected girlhood to her ascension to the throne at twenty five to her personal and national difficulties as queen Lilibet shows us an Elizabeth we thought we knew but shows her in a different light as a small shy woman with a sly and at times raucous sense of humor a woman who appears stiff in public but in private enjoys watching wrestling on TV A woman most at home among her horses and dogs And a woman long annealed to heartbreak and sorrow who has presided over the decline of Great Britain and the decline in prestige of her own Windsor dynasty Far from being a light gossip treatment of a celebrity Lilibet tells the queen

s story from her point of view letting the reader relive Elizabeth s long and eventful life with all its splendid ceremonies momentous responsibilities and family clashes Through it all we glimpse as never before the strong and appealing sovereign who has ruled over her people for half a century and more a ruler of immense wealth international esteem and high character whose daily life is grounded in the bedrock of common sense **The Handbook of Sierra Leone** Thomas Nelson Goddard,1925 A Different Voice, a Different Song Caroline Bithell,2014 Caroline Bithell explores the history and significance of the natural voice movement and its culture of open access community choirs weekend workshops and summer camps Founded on the premise that everyone can sing the movement is distinguished from other choral movements by its emphasis on oral transmission and its eclectic repertoire of songs from across the globe **Girls Scout for Boys** Glynis Durnit, **The Guide for Junior Girl Scout Leaders** Girl Scouts of the United States of America,1994 Desire, Drink and Death in English Folk and Vernacular Song, 1600-1900 Vic Gammon,2017-07-05 This much needed book provides valuable insights into themes and genres in popular song in the period c 1600 1900 In particular it is a study of popular ballads as they appeared on printed sheets and as they were recorded by folk song collectors Vic Gammon displays his interest in the way song articulates aspects of popular mentality and he relates the discourse of the songs to social history Gammon discusses the themes and narratives that run through genres of song material and how these are repeated and reworked through time He argues that in spite of important social and economic changes the period 1600 1850 had a significant cultural consistency and characteristic forms of popular musical and cultural expression These only changed radically under the impact of industrialization and urbanization in the nineteenth century The book will appeal to those interested in folk song historical popular music including church music ballad literature popular literature popular culture social history anthropology and sociology *Exile from Latvia* Harry G.
