### Role of Congress

**Representative** - the members of the U.S. House of Representatives  
**Senator** - people who represent members of the political party

#### Making Laws

- Congress is responsible for making the nation's laws.

Decisions made by Congress can be using if...

- The decision reflects the member's personal beliefs.
- Interest groups who support the legislation contribute a lot of money to the campaign fund.
- The leadership of the member's political party supports the legislation.

Members of Congress can be **re-elected** times if...

- Representatives can be re-elected for 2 terms.
- Senators can be re-elected for 2 terms.

### How and Members of Congress

Members of Congress are elected by the voters. They represent the people of the United States. They are elected to the House of Representatives and the Senate.

#### House of Representatives

The size of the House of Representatives is set by Congress itself, but by the Constitution.

Constitution says there shall always be 435 members. However, by statute, there is no limit on the number of members.

In 1789, the House had just 59 members.

Now, by 1990, the number of members had risen to 435.

To represent the House, there are 435 members. The House is made up of 435 members.

#### Senate

The Senate is made up of 100 members.

- If a representative dies or resigns before the end of a term, the governor of the representative's state must call a special election to fill the seat.
