Are you preparing for the HSPT exam? This study guide covers exam basics, what's covered on the exam, and how to prepare for the exam.

Exam Basics

- **Test time:** 2 ½ hours
- **Number of questions:** 300 questions
- **Scoring:** Each question you answered correctly on each of the subtests will be added up, which will give you a raw score for each subtest. Your raw scores will then be converted into standardized scores and national percentile rankings for each subtest, which will show how you stack up against other test takers nationwide on a scale from 1 (low) to 99 (high) where 50 is average.

The exam assesses the following content:

- Reading
- Language Skills
- Mathematics
- Cognitive Skills
- Science Test (optional)

Registering for the HSPT Exam

The HSPT is ordered and administered by individual schools or dioceses throughout the country. Your first step towards taking the HSPT should be to contact the school where you'd like to take the test, and ask for information about their registration process. Individual schools and dioceses determine their own test days.
