Education in Nigeria Daniel A. Nomishan, 2014-12-26 This book Education in Nigeria Reflections and Global Perspectives provides a broad overview of education in Nigeria It recognizes the vital role education plays in the development of Nigeria and has attempted to air the concerns and call of the Nigerian public as well as educators for reform in the educational system in Nigeria The book further recognizes that Nigerian education continues to be evolved first into a system of Western European education and then into a global system of education It attempts to examine the status of education in Nigeria and thereby seeks solutions by exploring Nigeria's and global historical perspectives current trends and future directions regarding students and learning teachers and teaching the school curriculum and administration of schools It is expected that the comprehensive nature of the text will be beneficial to individuals in teacher preparation programs as well as those who plan to work with children in pre kindergarten nursery through secondary settings The chapter content of the book focuses on the variation of thought as to the principal objectives of educators to help students in Nigeria develop habits skills and ideas and help them to think It adds to the importance of providing education to all especially at the time when Nigeria is frankly making an effort to affirm democracy For any nation to be truly democratic it must maintain an educated electorate Education prepares people to make informed decisions that affect the society All children in Nigeria should therefore receive an education to prepare them to become effective members of the world society This book seeks to examine and reflect on education in Nigeria and globally
