Leadership Team Coaching In Practice Developing High Performing Teams:

Leadership Team Coaching in Practice Peter Hawkins, 2014 Leadership Team Coaching in Practice looks at how leadership team coaching techniques have been applied internationally across a variety of team types and sectors. With expert contributors including chief executives, team coaches, team leaders, and consultants, this practical guide offers a range of real case studies to illustrate best practice with a detailed analysis of methods and processes tailored to the needs of each organization. Readers will learn how to develop their own unique approach to fostering collective transformational leadership across teams whatever their business sector and whatever type of team they lead. The book can be used either as a stand alone workbook or as a practical companion to Leadership Team Coaching which offers a comprehensive introduction to creating and developing high performing teams through transformational leadership.

Leadership Team Coaching in Practice Peter Hawkins, 2018-06-03 Organizations are increasingly complex requiring flexibility to implement significant rapid change that goes beyond the ability of an individual leader or CEO. A high performing and cohesive leadership team is critical for success. Leadership Team Coaching in Practice presents enlightening case studies on how leadership team coaching techniques have been applied internationally across a variety of team types and industries including professional services, pharmaceuticals, airlines, healthcare, and finance. With expert contributions from chief executives, team coaches, team leaders, and consultants, this practical guide illustrates best practice tailored to the needs of each organization. This updated 2nd edition of Leadership Team Coaching in Practice includes new case studies and addresses hot topics in systemic leadership coaching theory. Answering questions such as how do you get the most from working across multiple teams, how should inter team coaching be approached, and how do you coach millennials and tech start ups, it helps foster collective transformational leadership whatever the business sector and type of team. Ideal for executive coaches, organizational development consultants, OD, HR leaders, and aspiring managers, it shows how to develop leadership teams that can implement strategic change effectively and sustain competitive advantage.

Leadership Team Coaching in Practice Peter Hawkins, 2022-02-03 A high performing and cohesive leadership team is essential for organizational success. Leadership Team Coaching in Practice provides an overview of the tools and techniques for coaching leadership teams and shows how these approaches have been applied around the world in a variety of team types and industries. Featuring expert contributions from chief executives, team coaches, team leaders, and consultants in organizations including Comair and the UK National Health Service (NHS), this practical guide illustrates best practice tailored to the needs of each organization. The new and updated third edition of Leadership Team Coaching in Practice incorporates the latest research and thinking in the field, including new material on developing the personal core capacities for systemic team coaching. Alongside updates to case studies to offer a long term view of interventions, the third edition contains new case studies including team coaching in Toyota through a period of transformation.
