

Paragraph #2 Argument Category listed FIRST in Thesis

1. Topic sentences to introduce topic of the paragraph
 - a. EC: Trade changed local economies through the establishment of standardized commercial practices.
2. Explain & make your argument using **specific** factual information / key concepts. This can be trickier since you do not have documents to include, but it is easy IF you are familiar with the content!
 - a. EC: The Mongols early into the establishment of their empire, began to continue the Han Chinese practice of the tributary system to encourage merchants to continue trading in the region. With the already well established trade network of the Silk Road, the Mongols began to use the foundation to improve economic practices. Under the stability of the Mongolian Empire, the Mongols were able to create a system of standardized currency to promote more consistent trade. As merchants came into the region they would exchange their foreign currency at banking houses to receive a bill of exchange.
3. Conclusion sentence to transition to next paragraph.
 - a. EC: This standardized use of currency allowed for a profitable exchange of goods between merchants of diverse regions and positively impacted the economies along the trade route by allowing for consistency in commercial & political practices.

Understanding the Constitution David C. Gibbs III,Barbara Weller,2014-03-30 Little by little the freedoms envisioned by our Founding Fathers and those who struggled for independence are being stripped away The best guarantee that America s constitutional liberties will continue to be protected is to ensure that all citizens and especially our children clearly understand both what those freedoms are and who it is that gave them to us in the first place This book explains The biblical basis upon which America was founded The influence of Sir William Blackstone and English common law on America s legal system The miracle that happened at the Constitutional Convention The U S Constitution including all the amendments as well as several popular amendments that failed to be ratified The methods that have been used to vastly expand the federal government s power since the Constitution s drafting It also examines why John Adams the second President of the United States would write what he did in 1798 Our Constitution was made only for a moral and religious people It is wholly inadequate to the government of any other The book is a response to the challenge from one of our nation s great modern presidents President Ronald Reagan issued on October 27 1964 You and I have a rendezvous with destiny We will preserve for our children this the last best hope of man on earth or we will sentence them to take the first step into a thousand years of darkness If we fail at least let our children and our children s children say of us we justified our brief moment here We did all that could be done Don t miss the companion Study Guide for Understanding the Constitution Available at www.NCLL.org

Spiritualism in the American Civil War R. Gregory Lande,2020-07-27 America s Civil War took a dreadful toll on human lives and the emotional repercussions were exacerbated by tales of battlefield atrocities improper burials and by the lack of news that many received about the fate of their loved ones Amidst widespread religious doubt and social skepticism spiritualism the belief that the spirits of the dead existed and could communicate with the living filled a psychological void by providing a pathway towards closure during a time of mourning and by promising an eternal reunion in the afterlife

regardless of earthly sins Primary research including 55 months of the weekly spiritual newspaper Banner of Light and records of hundreds of soldiers and family members spirit messages reveals unique insights into battlefield deaths the transition to spirit life and the motivations prompting ethereal communications This book focuses extensively on Spiritualism s religious political and commercial activities during the war years as well as the controversies surrounding the faith strengthening the connection between ante and postbellum studies of Spiritualism ...
