

The cover of a spiral-bound notebook features a composite image. The top half shows a close-up of a microscope's eyepiece and objective lenses. The bottom half shows a petri dish with a green agar surface covered in numerous small, circular bacterial colonies. A white horizontal band with a wavy, organic border separates the two images. The title 'MCB 2010 microbiology lab' is printed on this band. The notebook's spiral binding is visible on the left edge.
