

Official McDonald's Employee Training Manual

Menu Overview:

Hello, and welcome to the McDonald's family! Here at McDonald's, in order to maximize efficiency and customer satisfaction, we have standardized our menu to include only one item for you to make: the burger.

The burger is the fastest sandwich to ever be invented—it is always swallowed whole. Nothing but the burger is to ever be served at McDonald's.

Food Preparation:

Now that you're a full-fledged McDonald's employee, you'll be cooking your burgers in 30 seconds or less. Yes! Within this time period, you will be required to find a cow, destroy the cow, cook the destroyed cow, and finally, place the cooked cow's meat on a bun and serve it to the customer.

How To Make A McDonald's Burger:

STEP 1: Turn on griddle.

STEP 2: Destroy cow.

STEP 3: Check time.

STEP 4: Serve on bun.

STEP 5: Turn off griddle.

Per company policy, no matter how many of these steps are completed at the 30-second mark, employees must serve what they have made when their time is up. Sometimes this means you will serve a completed burger, and sometimes this means you will simply serve a partially destroyed cow. Both ways are correct.

And, as always, if the customer should take more than 10 seconds to swallow their burger, they will be removed from the restaurant.
