Want to make your students more responsible for their own learning Want to create an academic environment in which students thrive and develop a genuine thirst for knowledge Want to improve your students standardized test results but avoid a teach to the test mentality that throttles creativity and freedom In this book Mark Barnes introduces and outlines the Results Only Learning Environment a place that embraces the final result of learning rather than the traditional methods for arriving at that result A results only classroom is rich with individual and cooperative learning activities that help students demonstrate mastery learning on their own terms without being constrained by standards and pedagogy By embracing results only learning you will be able to transform your classroom into a bustling community of learners in which Students collaborate daily on a number of long term ongoing projects Students receive constant narrative feedback Yearlong projects target learning outcomes more meaningfully than worksheets homework tests and quizzes Freedom and independence are valued over punitive points percentages and letter grades Students manage themselves and all but eliminate the need for traditional classroom management Learn how your students can take charge of their own achievement in an enjoyable project based workshop setting that challenges them with real world learning scenarios and helps them attain uncommonly excellent results      The Assessment Debate Valerie J. Janesick,2001-11-14 An authoritative reference on one of education's hottest topics describing how the latest testing and assessment tools can be used to help improve student performance In this comprehensive review of the wealth of techniques by which students can be assessed Valerie J Janesick points out that the politics of schooling often gets in the way of student progress High stakes standardized testing is frequently based on poorly constructed unfair tests that encourage teaching to the test which actually impedes educational goals Authentic testing relies more on essays and writing samples performances demonstrations and role plays Although it is fairer and provides a measure of student growth and progress it requires more effort by teachers who also require extra training Besides discussing authentic assessment in detail The Assessment Debate includes a chronology an annotated directory of organizations supporting performance assessment a list of state coordinators for testing reform and state by state report cards      How to Construct and Use Non-standardized Objective Tests Gale Smith,1929      Patterns of Revision, Grade 7 Travis Leech,Jeff Anderson,2024-08-23 How do we get seventh grade writers to revise And once we do get them thinking about revision what exactly do they do What do we do In Patterns of Revision best selling authors Travis Leech and Jeff Anderson answer these questions and more This practical resource uses the research proven and classroom tested methods of sentence combining in a meaningful engaging way that supports authentic writing as well as performance based or multiple choice test items Flip the book open to immediately find The DRAFT mnemonic to help students know where to begin the revision process and how to keep going Concrete doable lessons that spark academic conversations about meaning effect and purpose that are grounded in a student centered revision approach Easily accessed displays and printables to

seamlessly support student revision learning embedded in each lesson right where you need it Authentic and engaging model text excerpts curated to support each lesson An engaging process for revision instruction that can be immediately implemented to support any writing approach or as a supplemental resource for Patterns of Power 6 8 With every lesson grounded in the critical strategy of writers talking out their revisions Patterns of Revision will establish routines practices and mindsets to set you and your students up for success from day one Discover the joy inherent in writing and writing instruction when we explore revision through engaging inquiry and the study of models building flexible competent revisors step by step in an open ended discussion of meaning driven revision choices and their effects EFL Writing Teacher Education and Professional Development Estela Ene,Betsy Gilliland,Sarah Henderson Lee,Tanita Saenkhum,Lisya Seloni,2024-04-16 This book explores how EFL writing teacher education is theoretically pedagogically methodologically and sociopolitically shaped given teachers unique local contexts and circumstances It showcases practitioners and researchers teaching in or studying geographic areas that have as yet been under represented in international publications and it focuses on ways that specific contexts create unique opportunities and constraints on what developing teachers know and do in their work The chapters prioritize local voices and materials to build a more inclusive and comprehensive picture of L2 writing globally enabling the book as a whole to both document and further shape pedagogical approaches to L2 writing Readers will be able to use the unique insights contained in this book in their own classrooms and professional development activities
