My Ambition

My Aim in Life

"The aim, if reached or not, makes great the life!" (R. Bowering)

An aim or ambition is the goal including forward determination.

The course of a person's life like without aim is like a body boat when no flower bloom.

"What makes life dreary is the want of motive!" (George Eliot)

The importance of aim in life cannot be denied.

"A man without aim is like a rudderless ship in a stormy sea."

"(When a man does not what harbour he is a for, no mind is the mind." (Seneca)

There is no man without a life. There are a number of professions, such as business, medicine, engineering, teaching, etc. Many people like to be rich and have a big name and fame and also other things for position and social status. Life becomes and position not last long. Failure like a wheel.
