A History of Preaching Otis Carl Edwards, 2004. Accompanying CD-ROM contains the full text of volume one and two. A History of Preaching Volume 1 O.C. Edwards, Jr., 2010-09-01. *A History of Preaching* brings together narrative history and primary sources to provide the most comprehensive guide available to the story of the church's ministry of proclamation. Bringing together an impressive array of familiar and lesser known figures, Edwards paints a detailed compelling picture of what it has meant to preach the gospel. Pastors, scholars and students of homiletics will find here many opportunities to enrich their understanding and practice of preaching. Volume 1, appearing in the print edition, contains Edwards's magisterial retelling of the story of Christian preaching's development from its Hellenistic and Jewish roots in the New Testament through the late twentieth century's discontent with outdated forms and emphasis on new modes of preaching such as narrative. Along the way the author introduces us to the complexities and contributions of preachers both with whom we are already acquainted and to whom we will be introduced here for the first time: Origen, Chrysostom, Augustine, Bernard, Aquinas, Luther, Calvin, Wesley, Edwards, Rauschenbusch, Barth. All of their distinctive contributions receive careful attention. Yet lesser known figures and developments also appear from the ninth century reform of preaching championed by Hrabanus Maurus to the reference books developed in the thirteenth and fourteenth centuries by the mendicant orders to assist their members preaching to Howell Harris and Daniel Rowlands, preachers of the eighteenth century Welsh revival to Helen Kenyon speaking as a layperson at the 1950 Yale Beecher lectures about the view of preaching from the pew. Volume 2, contained on the enclosed CD-ROM, contains primary source material on preaching drawn from the entire scope of the church's twenty centuries. The author has written an introduction to each selection placing it in its historical context and pointing to its particular contribution. Each chapter in Volume 2 is geared to its companion chapter in Volume 1's narrative history. Ecumenical in scope, fair minded in presentation, appreciative of the contributions that all the branches of the church have made to the story of what it means to develop, deliver and listen to a sermon, *A History of Preaching* will be the definitive resource for anyone who wishes to preach or to understand preaching's role in living out the gospel. This work is expected to be the standard text.

on preaching for the next 30 years says Ann K Riggs who staffs the NCC's Faith and Order Commission. A History of Preaching is ecumenical in scope and will be relevant in all our churches we all participate in this field, says Riggs from EcuLink Number 65 Winter 2004/2005 published by the National Council of Churches.

Life Changing Thoughts Gary W. Smith, 2009-07. LIFE CHANGING THOUGHTS is a book difficult to put down. One moment you will find yourself laughing, the next moment you find yourself in deep meditation. The book contains thousands of inspiring, life-changing, worshipful and humorous thoughts. There are nearly 700 pages with almost 500 different topics categorized alphabetically. Some of the book's topics are God and the Bible, character, faith, fullness, the family and home, leadership, patriotic thoughts, prayer and victorious living. The book even contains great seasonal thoughts for thanksgiving, Christmas and the Resurrection. As a young man, the author began collecting life-changing thoughts for his own personal use. It was not long until he was using the thoughts and poems within his own writings and sermons. Over a thirty-five year period, the collection of inspiring thoughts grew from only a few to number into the thousands. As the collection grew, so did the author's ability to compose and write his own thoughts and poems. Many of these are included within this book. The book is a great resource for pastors, teachers, speechmakers, communicators and leaders. You will find the life-changing thoughts beneficial for your own edification and enjoyment. In addition, the book provides you with a wealth of inspiring and motivating thoughts to share with other people. The author hopes you are blessed by reading and sharing these thoughts as he has been from compiling and writing them. A man hath joy by the answer of his mouth and a word spoken in due season, how good it is. KJV Proverbs 15:23
