

## **2020-2021 Student Survey Responses 10**

It's always good to remember that there will always be outliers. In this survey specifically the other responses seem mostly like others. The other responses however were more interesting and reflected what certain students said about themselves in this example of helping health issues or disabilities. Overall it seems mostly everyone figured out what to handle their issues including the teenagers, parents, and grandparents. This was interesting to listen to as the respondents themselves seem helped by the previous thing mentioned prior to this survey results.

The survey responses is discussed as well as responses. These are things I heard from both students, parents, and grandparents about how they feel about their health condition. A lot of people seem to have a good attitude towards the survey. There were some students that had negative attitudes about this.
