Positive Expectations When Battling Chronic Pain and Illness, A 60-Day Devotional Journal Leslie L.

McKee, 2021-10-26 Why me Is God punishing me Is my faith not strong enough for God to heal me How can I achieve my dreams What's my purpose If you're someone living with a chronic illness or chronic pain these are just a few of the questions you've likely asked on more than one occasion You may feel overlooked or even resentful You try to stay positive but some days it's hard It's natural to feel this way and grieve but it's still possible to have a hope-filled life God has a purpose for the pain Christians aren't immune from pain and illness but we don't have to go through it alone Jesus promised that He would never leave you nor forsake you Deuteronomy 31:6 NIV Millions of women suffering from chronic pain and illness want the reassurance they're not alone The devotions in Hope Amid the Pain are written by a chronic pain warrior with over twenty-five years experience and will point the reader to hope and encouragement It's possible to Hang On to Positive Expectations HOPE even amid the pain **The Unexpected** Donal Myrick, 2019-09-12 In Venezuela an offshore earthquake causes the opening of a canyon that swallows up Angel Falls Churum River which then disappears into a large cave At the rear of the cave the river disappears into an abyss that is speculated to be over twenty-five hundred feet deep The existence of this abyss is brought to the attention of a group of spelunkers aka cavers from Austin Texas Exploring deep difficult caves is what these people do it is what they live for The leader of the group organizes an expedition to explore the cave and their primary mission is to be the first to rappel into this monster underground pit Accomplishing this would be a monumental caving first and they are extremely excited about the prospect They notice that the cave walls are extremely smooth and unusual and they speculate that something unnatural was behind the formation of the cave As they overcome massive difficulties and near success they encounter something that they could never have expected This discovery changes the direction of their expedition imperils all of their lives and sends them scurrying on an extended trek that takes them from Venezuela to one of the most remote islands in the far arctic north **Desperate for Hope** Bruce W. Martin, 2012-08-01 With sincere sympathy and ready encouragement Bruce W.
