Eden,2016-06-10 *Lasting Happiness* Andrew Parnham,2020-04-28 We all want to be happy although happiness can mean very different things to different people But what if I don t feel happy Is my life less worthwhile And is there such a thing as lasting happiness anyway Western society places great emphasis on the pursuit of health wealth and pleasure with a general expectation that having these in abundance will lead directly to The Good Life But anxiety depression and loneliness are rife in our communities and it is common for people to struggle with relationships and to feel they have a low sense of meaning and lasting fulfilment Is there a better way for us to try to live Andrew Parnham believes that there is but such a way may take us in unexpected directions In Lasting Happiness he invites us to explore this path in his company looking beyond our immediate perceptions to consider our universal longings the extraordinary way in which our brains engage with the world and ourselves how healthy relationships develop and can be restored and how meaning and fulfillment may actually be attained *Rediscovering God's Grand Story* James M. Roseman,2017-09-15 In the passage to modernity we in the West have lost the ability to see things whole We ve closed our minds to all things transcendent and default to unbelief and can t make sense of the persistent echoes of the voice of God that reverberate in our souls In Rediscovering God s Grand Story James Roseman picks up the strands of science philosophy history the arts and theology and reweaves the tapestry to see a coherent story that makes the best sense of the world and provides real meaning and significance to our lives God s Grand Myth We see that the signals of transcendence that confound our culture of doubt are a universal language and vocabulary of the heart echoing the voice of God and in the very Judeo Christian story we so readily jettison is found the Author enabling us to see the world whole again This essay tells why the story and promise of Christianity is so hard to hear today but won t go away Could it be that as T S Eliot wrote in the mid twentieth century at the end of all our exploring will be to arrive where we started and know the place for the first time *Alice-Miranda in the Outback* Jacqueline Harvey,2021-04 Alice Miranda and her friends are off to the Australian Outback They re going to help an old family friend who s found himself short staffed during cattle mustering season The landscape is like nothing else wide open and dusty red as far as the eye can see It s also full of quirky characters like eccentric opal miner Sprocket McGinty and the enigmatic Taipan Dan As the gang settles in at Hope Springs Station mysteries start piling up A strange map is discovered indicating treasure beneath the paddocks a young girl is missing and there are unexplained water shortages Can Alice Miranda get to the bottom of this desert dilemma **Silver Bells Collection** Heather B.
