 York Times wrote after his death Henry B Fried was widely acknowledged as the dean of American watchmakers In the
 revised 1961 edition of his classic book The Watch Repairer s Manual reprinted here Fried addresses topics important to
 contemporary watch repairers such as self winding watches waterproofing calendar watches alarm wristwatches and
 chronographs The Watch Repairer s Manual also includes a fine visual dictionary of exploded views in isometric which are
 very helpful for ordering watch parts One of the few modern books available on the techniques of watch repair and certainly
 the most esteemed The Watch Repairer s Manual is outstanding for its sequence of presentation and its many useful
 illustrations including enlarged details of alarm and self winding watches The consummate craftsman and master of details
 Fried himself created the illustrations From teaching others Fried has learned that if you have a good understanding of how
 and why the mechanisms work you will become better at fixing any problems you face often without needing to consult a
 book The Watch Repairer s Manual provides Helpful background material such as full descriptions of the main divisions of
 the modern watch mechanisms including the purpose and function of each unit Complete directions for cleaning and
 overhauling a watch movement for casing A section devoted to general repairs and troubleshooting For anyone interested in
 watch repair this volume will serve as a working manual a reference manual and even a course of study Assuming little
 previous knowledge on the part of the reader Fried provides complete and clear detail on each operation The Watch Repairer
 s Manual should be of great value to the student hobbyist watch collector and instrument maker Henry B Fried wrote and
 illustrated 14 books many pamphlets and hundreds of articles on horology the science of timepieces The first American to
 receive the Silver Medal of the British Horological Institute he served as president of the New York City Horological Society
 and the New York State Watchmakers Association and vice president of the old Horological Institute of America He taught
 and lectured on horology and served as an industry consultant He also was a consultant for the Random House Dictionary
 and the Merriam Webster Dictionary **Repair and Restore Your 400-Day Clock** Joseph Rabushka, 2010-03-29 If you
