Best Horror of the Year Ellen Datlow,2016-06-07 For over three decades Ellen Datlow has been at the center of horror Bringing you the most frightening and terrifying stories Datlow always has her finger on the pulse of what horror readers crave Now with the eighth volume of the series Datlow is back again to bring you the stories that will keep you up at night Encompassed in the pages of The Best Horror of the Year have been such illustrious writers as Neil Gaiman Kim Stanley Robinson Stephen King Linda Nagata Laird Barron Margo Lanagan And many others With each passing year science technology and the march of time shine light into the craggy corners of the universe making the fears of an earlier generation seem quaint But this light creates its own shadows The Best Horror of the Year chronicles these shifting shadows It is a catalog of terror fear and unpleasantness as articulated by today s most challenging and exciting writers **The Joke Is on Us** Julie A. Webber,2018-12-11 This edited volume brings together scholars of comedy to assess how political comedy encounters neoliberal themes in contemporary media Central to this task is the notion of genre under neoliberal conditions where market logics motivate most actions genre becomes mixed Once stable discreet categories such as comedy horror drama and news and entertainment have become blurred so as to be indistinguishable The classic modern paradigm of comedy tragedy no longer holds if it ever did Moreover as politics becomes more economic and less moral or normative under neoliberalism we are able to see new resistance to comedic genres that support neoliberal strategies to hide racial and gender injustice such as unlaughter ambiguity and anti comedy There is also an increasing interest with comedy as a form of entertainment on the political right following both Brexit in the UK and the election of Trump in the U S Several essays confront this conservative comedy and place it in context of the larger humor history of these debates over free speech and political correctness For comedians too entry into popular media now follows the familiar neoliberal script of the celebration of self help with the increasing admonishment of those who fail to win in market terms Laughter plays an important role in shaming and valorizing often at the same time the precarious subject in the aftermath of global recession Doubling down on austerity self help policies and equivocation in the face of extremist challenges right and left politics foils the critical

comedian's attempt to satirize and parody its object. Characterized by ambiguity, mixed genre, and the increasing use of anti-humor, political comedy mirrors the social and political world it mocks, parodies, and celebrates, often with lackluster results suggesting that the joke might be on us as audiences. **Your Fully Charged Life** Meaghan B Murphy, 2022-02-22

A high energy guide to living with presence, optimism, and joy, one yay at a time. Ever wish you were one of those upbeat, positive people who embrace every day with a can-do mindset that motivates others and simply makes life more fun? Longtime magazine editor Meaghan B Murphy is one of those high energy people, and she's here to share her secrets for finding more yay every day. **Your Fully Charged Life** is Murphy's practical guide to bringing your best self to every moment, even when the pressures of daily life leave you feeling overwhelmed, exhausted, and wallowing in negative thoughts. And a pint of your favorite gelato. Spanning health, work, family time, and more, this book reveals small changes in outlook and habits that yield big results without ever sacrificing who you are. Informed by the latest research in neuroscience, positive psychology, and inspiring examples of women and men who live fully charged every day, the book presents simple ways to cultivate gratitude and pass it along, make meaningful connections with the people around you, learn to say no so you can fill your days with things that matter to you, most recharge when you need it, spread the positive charge to others to make the world a happier, healthier place. Going beyond platitudes and shallow Insta inspiration, this inspiring and empowering book provides a blueprint for feeling less stressed and genuinely making the most of your every day. **Emo** Judith May

Fathallah, 2020-11-15 For many, the word emo calls to mind angsty teenagers, shaggy black haircuts, and skinny jeans. A popular music phenomenon in the early 2000s, emo is short for emotional hardcore and refers to both a music genre and a youth scene notable for its androgynous style. Judith May Fathallah pushes beyond the stereotypes and social stigma to explore how online fandom has shaped the definition of emo, with significant implications both for millennial constructs of gender and for contemporary fan studies. First laying out the debate over what emo is, Fathallah walks superfans and newcomers through the culture surrounding the genre's major bands, including the emo holy trinity: My Chemical Romance, Fall Out Boy, and Panic! at the Disco. Next, she examines fans' main mode of participation in the emo subculture: online communities such as LiveJournal, Tumblr, MySpace, and band websites. Taking a hard look at the gender politics that dominated those spaces, she unearths a subculture that simultaneously defines itself by its sensitivity and resistance to traditional forms of masculinity yet ruthlessly enforces homophobic and sexist standards. Fathallah demonstrates fandom's key role in defining emo as a concept and genre after 2001, with probing insight into its implications for gender constructions through popular music. **A Rome of One's Own** Emma Southon, 2023-11-07

From the acclaimed author of *A Fatal Thing Happened on the Way to the Forum*, a wildly entertaining new history of Rome that uses the lives of 21 women to upend our understanding of the ancient world. The history of Rome has long been narrow and one-sided, essentially a history of the Doing of Important Things. And as far as Roman historians have been concerned, women don't make that history. From

Romulus through the political stab fest of the late Republic and then on to all the emperors Roman historians may deign to give you a wife or a mother to show how bad things become when women get out of control but history is more than that Emma Southon's *A Rome of One's Own* is the best kind of correction This is a retelling of the history of Rome with all the things Roman history writers relegate to the background or designate as domestic feminine or worthless This is a history of women who caused outrage led armies in rebellion wrote poetry who lived independently or under the thumb of emperors Told with humor and verve as well as a deep scholarly background *A Rome of One's Own* highlights women overlooked and misunderstood and through them offers a fascinating and groundbreaking chronicle of the ancient world **Year's Best**

Hardcore Horror Volume 6 Randy Chandler, Cheryl Mullenax, 2021-05-21 WELCOME TO THE MASQUERADE 2020 was a reality horror show And like most obnoxious entertainment reality shows this one had its own idiosyncratic rules and penalties Call it The Big Lockdown We were forced to go to ground to hide in our holes Some went underground and never came back Uncertainty ruled because the rules kept changing Were we following the science or the mad scientists Was the light at the end of the tunnel the fiery mouth of hell We couldn't say for sure so we ventured out for food booze and sundries like scavengers in a slow motion apocalypse keeping our distance from fellow human beings because you never knew who might be carrying that heavy viral load And everywhere we went we went behind the mask So it became obvious The theme of our offering of extreme horror tales from 2020 had to be Masquerade Our masquerading storytellers nevertheless did what they do best They went deep into the belly of the beast and sent up fictions reflective of these trying times Their stories peel away the masks or in some cases the skin to reveal the inner workings of darkest hearts and minds and deeper fears

Listening in Eric Prieto, 2002-01-01 What can music teach a novelist autobiographer or playwright about the art of telling stories The musical play of forms and sounds seems initially to have little to do with the representational function of the traditional narrative genres Yet throughout the modernist era music has been invoked as a model for narrative in its specifically mimetic dimension Although modernist writers may conceive of musical communication in widely divergent ways they have tended to agree on one crucial point that music can help transform narrative into a medium better adapted to the representation of consciousness Eric Prieto studies the twentieth century evolution of this use of music with particular emphasis on the postwar Parisian avant garde For such writers as Samuel Beckett Michel Leiris and Robert Pinget music provides a number of guiding metaphors for the inwardly directed mode of mimesis that Prieto calls listening in where the object of representation is not the outside world but the subtly modulating relations between consciousness and world This kind of semiotic boundary crossing between music and literature is inherently metaphorical but as Prieto's analyses of Beckett Leiris and Pinget show these interart analogies provide valuable clues for bringing to light the unspoken assumptions obscurely understood principles and extra literary aspirations that gave such urgency to the modernist quest to better represent the mind in action **New Orleans** Leonard Victor Huber, 1971 *Paperbound Books in Print*, 1971-07
