Hot Over 50 CS Julie Stass, 2014-10-18 The lyrics of her new release *Pretty Hurts* Beyonce sings *Pretty hurts we shine the light on whatever s worst We try to fix something but you can t fix what you can t see It s the soul that needs surgery sums up the message in *Hot Over 50 Making the Beauty Wisdom Anti aging connection* In *Hot Over 50* Dr Julie Stass tells the sexy grandmas and the Ms Looks twenty years younger set that anti aging has jumped to higher level The new formula for timeless beauty eliminates a woman s need to freeze time and moves her to a deeper beauty that never grows old *Hot over 50* women like Tina Turner Ali McGraw and Geena Davis have experienced the anti aging magic of authenticity Admirers may wonder if she has had work done The Truth is being hot over 50 means she s done the work As women age through their 50s and into 60s most begin to question the roles and expectations they ve lived by for decades Then out of blue comes a catalytic moment Sometimes it s dramatic her spouse asks for a divorce there is a cancer diagnosis the death of a parent a spouse or a friend Often it is an equally powerful but more subtle event noticing that men don t look and flirt anymore or she sees her reflection in a store window and thinks My God is that me Moving through their fifth decade women physiologically and emotionally experience a different kind of energy accompanied by restlessness and the unsettling sense that everything is changing Nothing her style routine day to day interactions really fits anymore It s more than menopause How women navigate this life changing time will be guided by the way they draw on their years of experience what they believe about their worthiness and how willing they are to tell themselves the Truth We all eventually face this life event We all negotiate the challenge differently What I have learned from my own journey and from my clients is that we already have all the wisdom we need to walk through this uncertain unstable scary fun and weird stage of life The key is knowing how to access and use the many facets of our wise selves Our ability to connect align our truth attune to others and ourselves use our intuition and trust ourselves gives us the ability to evolve and embrace this new chapter in our lives Those who hold on to the old belief that their appearance is their worth will use all of their resources chasing after any solution that promises to slow down aging fooling everyone including themselves that they are not getting older Others will choose to redefine the standard of worth draw on their courage to be vulnerable Willing to seen for who they are they become the timeless authentically beautiful expression of their wise true self*
