Gender Stories Sonja K. Foss, Mary E. Domenico, Karen A. Foss, 2012-06-06 Essential for anyone who seeks to understand the contemporary gender landscape Gender Stories defines gender as the socially constructed meanings that are assigned to bodies The book helps readers navigate issues of gender by introducing them to the ubiquitous gender binary the problems with much of the research on gender differences and the variety of gender stories in popular culture At the heart of the book is a description of the process of becoming a gendered person through crafting and performing gender stories Because each gender performance is unique a virtually unlimited number of genders exists not just two as the gender binary would have us believe The same multiplicity that characterizes the gender landscape

characterizes the individual who typically changes gender multiple times a day and across the lifespan In Gender Stories personal gender performances are framed within a philosophy of choice Readers are encouraged to become more conscious of the choices they have in constructing their gender identities and to allow others the same choice by respecting their gender performances Readers will easily find a place for themselves in the book regardless of their views on gender because one perspective on gender is not presented as the right one Gender Stories affirms and legitimizes diverse perspectives as providing more comprehensive knowledge about gender for everyone

DEEP WATERS Rachel Hayden, 2023-11-23 When Christy Farhar finally made it to Africa and met children who had been rescued from slavery on Lake Volta in Ghana she knew she would never be the same After a miraculous encounter with one special little boy on the shore of the lake it seemed clear that Christy was to bring him out of his life of child labor and adopt him into her family However when the unexpected occurred it became apparent that a different kind of rescue would be needed Deep Waters is the story of how one woman's call to Africa birthed the Micah 6:8 Project to combat the cycle of poverty halfway across the world It is also the story of how unspeakable tragedy gave rise to the founding of Jacob's Wells and how grief transformed the focus of a ministry Within these pages we are invited to follow God into the unknown and experience the amazing events that can happen when a surrendered life collides with a God who is always on the move You hold more than a book in your hands Within this story there is an occasion to bear witness to a God who moves relentlessly through ordinary people Discover in these pages as I did that He intends to rescue and free the most vulnerable often through unusual and surprising means The shores of Heaven will ripple with the miracles logged in this unbelievable story Lauren Alexander Pastor Speaker Foster Care Advocate
