Hsu, 2015-02-20 Perhaps the most popular of all canonical American authors Mark Twain is famous for creating works that satirize American formations of race and empire While many scholars have explored Twain's work in African Americanist contexts his writing on Asia and Asian Americans remains largely in the shadows In *Sitting in Darkness* Hsuan Hsu examines Twain's career long archive of writings about United States relations with China and the Philippines Comparing Twain's early writings about Chinese immigrants in California and Nevada with his later fictions of slavery and anti imperialist essays he demonstrates that Twain's ideas about race were not limited to white and black but profoundly comparative as he carefully crafted assessments of racialization that drew connections between groups including African Americans Chinese immigrants and a range of colonial populations Drawing on recent legal scholarship comparative ethnic studies and transnational and American studies *Sitting in Darkness* engages Twain's best known novels such as *Tom Sawyer* *Huckleberry Finn* and *A Connecticut Yankee in King Arthur's Court* as well as his lesser known Chinese and trans Pacific inflected writings such as the allegorical tale *A Fable of the Yellow Terror* and the yellow face play *Ah Sin* *Sitting in Darkness* reveals how within intersectional contexts of Chinese Exclusion and Jim Crow these writings registered fluctuating connections between immigration policy imperialist ventures and racism *Pop Culture and the Dark Side of the American Dream* Paul A. Cantor, 2019-05-17 The many con men gangsters and drug lords portrayed in popular culture are examples of the dark side of the American dream Viewers are fascinated by these twisted versions of heroic American archetypes like the self made man and the entrepreneur Applying the critical skills he developed as a Shakespeare scholar Paul A Cantor finds new depth in familiar landmarks of popular culture He invokes Shakespearean models to show that the concept of the tragic hero can help us understand why we are both repelled by and drawn to figures such as Vito and Michael Corleone or Walter White Beginning with *Huckleberry Finn* and

ending with *The Walking Dead* Cantor also uncovers the link between the American dream and frontier life In imaginative variants of a Wild West setting popular culture has served up disturbing and yet strangely compelling images of what happens when people move beyond the borders of law and order Cantor demonstrates that at its best popular culture raises thoughtful questions about the validity and viability of the American dream thus deepening our understanding of America itself
