Ike's Mystery Man Peter Shinkle, 2022-01-18 The Cold War. The Lavender Scare and the Untold Story of Eisenhower's First National Security Advisor. President Eisenhower's National Security Advisor Robert Bobby Cutler working alongside Ike and also the Dulles brothers at the CIA and State Department shaped US Cold War strategy in far more consequential ways than previously understood. A lifelong Republican, Cutler also served three Democratic presidents. A charming raconteur, he was a tight-lipped loyalist who worked behind the scenes to get things done. Cutler was in love with a man half his age, a naval intelligence officer and NSC staffer Skip Koons. Cutler poured his emotions into a six-volume diary and dozens of letters that have been hidden from history. Steve Benedict, who was White House security officer, Cutler's friend and Koons' friend and former lover, preserved Cutler's papers. All three men served Eisenhower at a time when anyone suspected of sexual perversion, i.e. homosexuality, was banned from federal employment and vulnerable to security sweeps by the FBI. This gripping account reveals in fascinating detail Cutler's intimate thoughts and feelings about US efforts to confront Soviet expansion and aggression while having to contend with the reality that tens of millions of people would die in a first nuclear strike and that a full nuclear exchange would likely lead to human extinction. And Shinkle recounts with sensitivity the daily challenges and personal dramas of a small but representative group of patriotic gay men who were forced to hide essential aspects of who they were in order to serve a president they admired and a country they loved. *Poetry by Me and My Family* Ronald J. Yadusky, 2012-03-06 POETRY BY ME AND MY FAMILY About ART SCIENCE LOVE LIFE These poems are fun to read and you learn something new about art, science, love, and life. They come out of the love I have for my wife Margaret, our children, and our love for each other. They awaken something in your heart that is beyond knowledge and they spiritually refresh because the poems say tangibly what we all feel intangibly, to give finite form to the infinite. The will to create and the will to love are one. And so poems make love visible, which uplifts and heals because in the presence of love everything is healed. The mind seeks truth, the heart seeks love, and the spirit seeks goodness and God. This creative spirit of love therefore shows us the face of God. **Poem by Poem, Fable by Fable** Anna Miransky, 2024-06-18 At the age of seventy-two, Anna Miransky begins to read her father's poetry and fables in her first and forgotten language, Yiddish. She is changed by what she finds. In his writing, her father, the poet and fabulist Peretz Miransky, a Holocaust survivor and member of the celebrated literary group Yung Vilne, reveals aspects of his inner life about which he had never spoken when he was

alive His daughter discovers new details about family members his literary colleagues and his relationship with her mother and stepmother Most importantly she discovers Peretz Miransky s lifelong poetic themes and mission to keep Yiddish and the fable form alive and flourishing Many of Miransky s poems and fables are translated into English to illustrate Anna s discoveries Throughout the book Anna Miransky examines her complicated relationship with her father through the lenses of language barriers and generational trauma As she delves deeper into his life she comes to fully embrace her father her first language and her culture

Poems Richard Llwyd,1804 *A Comparative Grammar of the Dravidian Or South-Indian Family of Languages* Robert Caldwell,1875 Faith, Family, Fury, and Fanciful Things Shirley Nichols,2009-04-13 Take a journey through the life and times of Shirley Nichols as she is transparent about lifes situations Some writings are based on observations made while others are the personal experiences of the poet as she sought after and later found peace and spiritual wholeness This collection is a combination of lifes difficulties and triumphs told with simplicity richness and hearty messages These poems will pierce the heart and encourage change
