Detergent dispenser

Good washing results also depend on the correct dose of detergent: adding too much detergent won't necessarily make for a more efficient wash, and may in fact cause build up on the interior of your appliance and even pollute the environment.

Open up the detergent dispenser and pour in the detergent and fabric softener, as follows.

compartment 1: Detergent for pre-wash (powder)

Pre-wash detergent should only be used with the sportswear programme , while setting the timer knob to the "auto" position or to one of the "3h" to "24h" positions (see "Detergents and laundry").

compartment 2: Detergent for the wash cycle (powder or liquid)

Liquid detergent should only be poured in immediately prior to the wash cycle start.

compartment 3: Additives (fabric softeners, etc.)

The fabric softener should not overflow from the grid.

! Do not use hand wash detergent because it may form too much foam.

The Staircase Girls Catherine Seymour,2016-07-28 Joyce leaned her black Triumph bicycle against a wall and shivered in the foggy early dawn light Glancing up at the enormous wooden carved gate she hesitated This was a secret world she was about to enter For 16 year old Joyce who lived in one of the poorest streets in Cambridge the college building where she was about to enter represented privilege wealth a life she'd never live As a bedder Joyce would be working up and down one of the stone staircases making the beds of the male students sweeping floors dusting desks She never expected to also find herself mothering chastising and sometimes even covering up for her boys The Staircase Girls takes us into the lives of Joyce and other bedders like Nance Maud Rose and Audrey They endured the Second World War and then had to contend with poverty ill health and bereavement They loved lost and loved again But their friendships gave them strength and their work gave them happiness and even a lasting connection with their charges some of whom would go on to run the country Revealing their untold stories for the first time this is a vivid poignant account of these remarkable women's lives

Economic Cooperation in the Wider Central Asia Region Martin Raiser,Anton Dobronogov,2006-01-01 This paper explores ways to unlock the potential for regional development and economic cooperation in the wider Central Asia region It argues that understanding critical clusters of interrelated issues and explicitly taking into account geopolitical and political economy considerations are key in this regard Regional countries and other stakeholders should focus on a few areas where there are real prospects for success in the short run a combination of modest win-win initiatives and in some cases bold strokes that augment and change the distribution of benefits and hence make cooperation more likely to deliver progress
