IEICE Transactions on Electronics, 2007      **The Musician**, 1897      Real Estate Investment Trusts in Europe Ramón Sotelo, Stanley McGreal, 2013-12-11 Shortly before of the beginning of the global financial crisis of 2008 REITs were introduced in several European countries based on their success in mature markets like the US Australia and some Asian countries While the history of REITs in Europe has been relatively brief REITs are well on the way to become an industry standard as a real estate investment financial vehicle not only in Europe but throughout the developed world This book provides both academics and decision makers an introduction to the economics of REITs beyond tax transparency an overview of the mature REITs markets and a closer reflection of the development of different REIT structures in Europe including the history regulation and markets of each country      Solitons S.E. Trullinger, V.E. Zakharov, V.L. Pokrovsky, 2012-12-02 In the twenty years since Zabusky and Kruskal coined the term soliton this concept changed the outlook on certain types of nonlinear phenomena and found its way into all branches of physics The present volume deals with a great variety of applications of the new concept in condensed matter physics which is particularly reached in experimentally observable occurrences The presentation is not centred around the mathematical aspects the emphasis is on the physical nature of the nonlinear phenomena occurring in particular situations With its emphasis on concrete mostly experimentally verifiable cases Solitons constitutes a very readable and instructive introduction to the subject as well as an up to date account of current developments in a field of research reaching maturity      **Newspaper and Magazine Personnel and Data**, 1964      **Historical Papers** Washington and Lee University,      **Objects, Components, Models**
