Mergent Industrial Manual ,2003 Poles Apart Aditya Sondhi,2024-07-24 Is there a predominant reason why India is not Pakistan Many would likely point to the omnipresence of the military in the polity of the latter While the interventionist attitude of the army in Pakistan easily explains the democratic shortfall in its history the mirror opposite in India is rarely studied or credited Poles Apart is a unique and original investigation of the comparative roles of the military to study their influences on the growth of democracy in the two nations The book highlights the divisive outcomes of military coups on Pakistan s democratic trajectory while also closely analysing potential scenarios in India when the army could have gone astray but chose to stay apolitical Disgrace at the hands of China in 1962 the Emergency and Operation Blue Star among others make for fascinating case studies of how the army was treated shabbily but still remained politically disinclined On the other hand the overarching presence of Field Marshal Ayub Khan General Yahya Khan General Zia ul Haq and General Pervez Musharraf in the Pakistani political space represent a very different set of choices and interventions A crisp chapter on Bangladesh and its experiments with democracy and martial rule rounds off the deeply researched study *Mergent OTC Unlisted Manual* ,2009 **Applying International Humanitarian Law in Judicial and Quasi-Judicial Bodies** Derek Jinks,Jackson N. Maogoto,Solon Solomon,2014-07-01 The work analyzes the impact and implementation of international humanitarian law in judicial and quasi judicial bodies Moreover acknowledging the high impact domestic jurisdictions have in the configuration of international law the book does not rest only in an analysis of the international jurisprudence but delves also into the question of how domestic courts relate to international humanitarian law issues

e Poder Local (N.o 16 da Coleção) Ernesto Cunha, 2015-11-01 As reformas financeiras introduzidas pelo recente pacote autárquico inspirado pelo Memorando da Troika são o tema central deste livro. São inúmeras as suas implicações para os autarcas para os gestores de empresas locais e para a sua prestação de contas ao Tribunal de Contas e para o exercício de funções de controlo externo e independente. Os objetivos subjacentes eram corretos: face às vinculações externas das finanças públicas locais e ao Sistema Europeu de Contas Nacionais e Regionais. As soluções jurídicas orçamentais contabilísticas e de boa governança alcançadas deixam muito a desejar: imperiosa a disciplina na elaboração e execução dos orçamentos autárquicos; necessário equilíbrio orçamental efetivo compatível com a regra de ouro: quer no momento da elaboração dos orçamentos locais quer na sua execução, não confundir as regras orçamentais do setor público administrativo local com o regime dos instrumentos de gestão previsional das empresas locais, das fundações locais, das associações de direito privado ou das cooperativas. A consolidação orçamental, a consolidação de dívida total e a consolidação de contas dos grupos municipais carecem de precisões e melhorias no plano legislativo e de harmonização contabilística que permitam operacionalizar essas consolidações, viabilizar uma prestação de contas consolidadas e aferir os padrões de referência da dívida total e precisar o que se entende por operações orçamentais e receitas quando estamos a falar de dívida total consolidada e abranger entidades que integram o perímetro de consolidação dos grupos autárquicos e que não sejam autarquias locais também fundamental que a Comissão de Normalização Contabilística e a administração central desempenhem uma atuação de apoio às autarquias através da emissão de orientações técnicas e contabilísticas que assegurem a contabilização entre o POCAL e o SNC e da elaboração de manuais tipo que viabilizem a consolidação de contas dos grupos municipais.

American Cars, 1960-1972 J. "Kelly" Flory, Jr., 2008-11-24 The automotive industry underwent great change in the 1960s and the early 1970s. The continuing trend toward market consolidation, the proliferation of sizes and nameplates and the need for speed characterized this period loosely labeled as the muscle car era. This is an exhaustive reference work to American made cars of model years 1960-1972. Organized by year and summarizing the market annually, it provides a yearly update on each make's status and production figures, then details all models offered for that year. Model listings include available body styles, base prices, engine and transmission choices, power ratings, standard equipment, major options and their prices, curb weight and dimensions, interior and exterior paint color choices, changes from the previous year's model and sales figures. Also given are assembly plant locations and historical overviews of each model nameplate. The book is profusely illustrated with 1,018 photographs.

Indian National Security and Counter-Insurgency Namrata Goswami, 2014-11-27 This book based on extensive field research examines the Indian state's response to the multiple insurgencies that have occurred since independence in 1947. In reacting to these various insurgencies, the Indian state has employed a combined approach of force, dialogue, accommodation of ethnic and minority aspirations and overtime the state has established a tradition of negotiation with armed ethnic groups in order to bolster its legitimacy based on an accommodative posture. While these efforts have succeeded in resolving the Mizo insurgency, it has

only incited levels of violence with regard to others Within this backdrop of ongoing Indian counter insurgency this study provides a set of conditions responsible for the groundswell of insurgencies in India and some recommendations to better formulate India s national security policy with regard to its counter insurgency responses The study focuses on the national institutions responsible for formulating India s national security policy dealing with counter insurgency such as the Prime Minister s Office the Cabinet Committee on Security the National Security Council the Ministry of Home Affairs and the Indian military apparatus Furthermore it studies how national interests and values influence the formulation of this policy and the overall success and or failure of the policy to deal with armed insurgent movements Notably the study traces the ideational influence of Kautilya and Gandhi in India s overall response to insurgencies Multiple cases of armed ethnic insurgencies in Assam Manipur Mizoram and Nagaland in the Northeast of India and the ideologically oriented Maoist or Naxalite insurgency affecting the heartland of India are analysed in depth to evaluate the Indian counter insurgency experience This book will be of much interest to students of counter insurgency Asian politics ethnic conflict and security studies in general Torque ,2007-12 Singapore s best homegrown car magazine with an editorial dream team driving it We fuel the need for speed
