much about his crazy past But there s more to it than that Marnie claims the boy isn t biologically hers As the tension between them becomes unbearable and the attraction undeniable Marnie is forced to reveal a long held secret one that might cause her to lose both the boy she loves more than anyone and the man she desires more than anything **Coming** Tom Buford, 2021-05-18 What exactly are two single women whose age is somewhere north of seventy doing on a westbound Greyhound Life in Morgan Crossroads Alabama is as normal as its residents can make it before the tallest man to ever grace the porch of Brown's General Store shows up on foot He and his dog Spotlight whose parts don't all work exactly right leave after a single night having uncovered a fifty year old secret that will forever transform Morgan Crossroads and its beloved residents most of all Marcella Peabody When Marcella and her life long friend Eva Jo Clomper take off on an unannounced bus ride to Texas with little more than a pile of luggage and Marcella's wish to bring back the past the Morgan Crossroads gossip lines light up Most tales that women in Polly's House of Beauty or men on the front porch of Brown's General Store hear have at least a morsel of truth in them The trick is to figure out which do and which don't Long Time Coming is both a love story and a story of the love that residents of a small rural community can have for each other It is the first book in the Morgan Crossroads series of clean small town and rural fiction from author Tom Buford Long Time Coming was previously published as Then Came Edgar **The Long Time Coming** Marvin Bram, 2011-01-01 If you study the past you won t repeat its mistakes That s a hopeful sentiment but as a formula for moving forward humanely it s largely useless A useful appeal to history would adopt the old saying The farther you back up the better you jump forward But the past to which most historians appeal doesn t go back far enough The long time coming will be the time of living full lives as individuals while living in harmony with others as communities Everything we need to do to bring that world about we ve already done We must only add humanity s prehistory to its history. It may come as a surprise that all the elements of a humane future can be found in this expanded timeframe but it s the case When we synthesize the life serving aspects of the deep past with those of the recent past well much shorten the time before the world we deserve comes into being THE LONG TIME COMING attempts such a synthesis Long Time Coming Michael Eric Dyson, 2020-12-01 AN INSTANT NATIONAL BESTSELLER This edition includes illustrations by Everett Dyson From the New York Times bestselling author of Tears We Cannot Stop a passionate call to America to finally reckon with race and start the journey to redemption Powerfully illuminating heart wrenching and enlightening Ibram X Kendi bestselling author of How to Be an Antiracist Crushingly powerful Long Time Coming is an unfiltered Marlboro of black pain Isabel Wilkerson bestselling author of Caste Formidable compelling has much to offer on our nation's crucial need for racial reckoning and the way forward Bryan Stevenson author of Just Mercy The night of May 25 2020 changed America George Floyd a 46 year old Black man was killed during an arrest in Minneapolis when a white cop suffocated him The video of that night's events went viral sparking the largest protests in the nation s history and the sort of social unrest we have not seen since the sixties While Floyd s death was certainly the

presidential campaign and the election of Barack Obama This easily devoured crisply anecdotal account spiked with revealing side of the mouth comments charts the most cautious and reckless of political maneuverings and provides in action portraits of the major players both obvious and behind the scenes Thomas writes that Obama an avid reader and gifted writer sees himself as a figure out of literature and indeed real life stories don't get more compelling than Morality and Citizenship in English Schools Susannah Wright, 2016-12-08 This book sheds new light on early this twentieth century secularism by examining campaigns to challenge dominant Christian approaches to the teaching of morality and citizenship in English schools and to offer superior alternatives It brings together for the first time the activities of different educators and pressure groups operating locally nationally and internationally over a period of 47 years Who were these activists What ideological and organisational resources did they draw on What proposals did they make And how did others respond to their views Secularist activists represented a minority but offered a recurrent challenge to majority views and shaped ongoing educational debates They achieved some albeit limited influence on policy and practice They were divided among themselves and by 1944 had failed to supplant majority views But with the place of religious and secular ideals in schools remaining a subject of debate this analysis has resonance today His Miserable Baby Momma (Based On A True Story)
