Leadership and Management: Case Studies in Training in Higher Education in Africa Mouton, Johann, Wildschut, Lauren, 2015-08-06 There has been a resurgence of interest in training programmes for higher education leaders and management HELM at African universities in recent times Although there have been a few cases of evaluation studies of such programmes in Africa a more systematic review of the lessons learnt through these programmes has not been done This book aims to document and reflect on the learnings from intervention programmes at three African higher education councils It is clear that university leaders face many leadership and management challenges This is the starting point of the book *Daily Graphic* Ransford Tetteh, 2014-03-13

From the heart of Africa a spellbinding true story of entrepreneurship media culture and tradition all tastefully rolled into one Absolute Radio is an authentic story of girls and boys who became women and men and heroes on the wings of a radio station Running the course of 25 years the story comes from the culturally stylish twin city of Sekondi Takoradi in Ghana with global footprints It is the most tantalising and ground breaking body of work about Ghana's private broadcasting industry The author former journalist Phillip Nyakpo is himself an eye witness and a participant in these true events From his base in Perth Australia Phillip interviewed women and men across four continents who made it happen over a quarter of a century The result is that he opened up to the world a character and spirit of Africa that is all too often missing In telling the story he writes a compelling narrative that is delicate witty eye opening and wonderfully inspiring

Jerry John Rawlings Felix Kumah-Abiwu, Sabella Ogbobode Abidde, 2022-11-25 This edited volume examines the leadership and legacy of Ghana's Jerry John Rawlings within the broader context of Africa's leadership and democratic
