End Time Dreams Visions:

End Time Dreams & Visions Debra J. Wright, 2014-11-24 God Is Speaking To You The Written Word of God is the Voice of God in print God's word instructs corrects heals transforms and SAVES SOULS Reading God's word with spiritually tuned ears enables you to hear him speaking about things in specific ways God also speaks to mankind in Dreams a fall down a steep staircase prohibited by the push of a hand in the back while unaccompanied the much talked about out of body experience and others Her most noted and repetitive experience has been that of Dreams Visions in which God is speaking to the church concerning its intended functions and development In this book Debra Writes the Visions Makes them Plain for those endeavoring to hear God's Clarion Call Kenneth M. Heck, 2009-10 Dreams, Visions, Imaginations Jens Schröter, Tobias Nicklas, Armand Puig i Tàrrach, 2021-02-08 The contributions in this volume are focused on the historical origins religious provenance and social function of ancient Jewish and Christian apocalyptic literature including so called Gnostic writings Although it is disputed whether there was a genre of apocalyptic literature it is obvious that numerous texts from ancient Judaism early Christianity and other religious milieus share a specific view of history and the world to come Many of these writings are presented in form of a heavenly divine revelation mediated through an otherworldly figure like an angel to an elected human being who discloses this revelation to his recipients in written form In different strands of early Judaism ancient Christianity as well as in Gnosticism Manichaeism and Islam apocalyptic writings played an important role from early on and were produced also in later centuries One of the most characteristic features of these texts is their specific interpretation of history based on the knowledge about the upper divine realm and the world to come Against this background the volume deals with a wide range of apocalyptic texts from different periods and various religious backgrounds
