Illness Or Deviance? Jennifer Murphy,2015-06-12 Is drug addiction a disease that can be treated or is it a crime that should be punished In her probing study *Illness or Deviance* Jennifer Murphy investigates the various perspectives on addiction and how society has myriad ways of handling it incarcerating some drug users while putting others in treatment *Illness or Deviance* highlights the confusion and contradictions about labeling addiction Murphy s fieldwork in a drug court and an outpatient drug treatment facility yields fascinating insights such as how courts and treatment centers both enforce the disease label of addiction yet their management tactics overlap treatment with therapeutic punishment The addict label is a result not just of using drugs but also of being a part of the drug lifestyle by selling drugs In addition Murphy observes that drug courts and treatment facilities benefit economically from their cooperation creating a very powerful institutional arrangement Murphy contextualizes her findings within theories of medical sociology as well as criminology to identify the policy implications of a medicalized view of addiction

America Anonymous Benoit Denizet-Lewis, 2009-01-06 America Anonymous is the unforgettable story of eight men and women from around the country including a grandmother a college student a bodybuilder and a housewife struggling with addictions For nearly three years acclaimed journalist Benoit Denizet Lewis immersed himself in their lives as they battled drug and alcohol abuse overeating and compulsive gambling and sexuality Alternating with their stories is Denizet Lewis's candid account of his own recovery from sexual addiction and his compelling examination of our culture of addiction where we obsessively search for new and innovative ways to escape the reality of the present moment and make ourselves feel better Addiction is arguably this country's biggest public health crisis triggering and exacerbating many of our most pressing social problems crime poverty skyrocketing health care costs and childhood abuse and neglect But while cancer and AIDS survivors have taken to the streets and to the halls of Congress demanding to be counted millions of addicts with successful long term recovery talk only to each other in the confines of anonymous Twelve Step meetings A notable exception is the addicted celebrity who often enters and exits rehab with great fanfare Through the riveting stories of Americans in various stages of recovery and relapse Denizet Lewis shines a spotlight on our most misunderstood health problem is addiction a brain disease A spiritual malady A moral failing and breaks through the shame and denial that still shape our cultural understanding of it and hamper our ability to treat it Are Americans more addicted than people in other countries or does it just seem that way Can food or sex be as addictive as alcohol and drugs

And will we ever be able to treat addiction with a pill These are just a few of the questions Denizet Lewis explores during his remarkable journey inside the lives of men and women struggling to become or stay sober As the addicts in this book stumble fall and try again to make a different and better life Denizet Lewis records their struggles and his own with honesty and empathy

Addiction and Virtue Kent Dunnington,2025-06-16 What is the nature of addiction Neither of the two dominant models disease or choice adequately accounts for the experience of those who are addicted or of those who are seeking to help them In this interdisciplinary work Kent Dunnington brings the neglected resources of philosophical and theological analysis to bear on the problem of addiction Drawing on the insights of Aristotle and Thomas Aquinas he formulates an alternative to the usual reductionistic models Going further Dunnington maintains that addiction is not just a problem facing individuals Its pervasiveness sheds prophetic light on our cultural moment Moving beyond issues of individual treatment this groundbreaking study also outlines significant implications for ministry within the local church context

Righteous Dopefiend Philippe Bourgois,Jeffrey Schonberg,2009-05-29 This powerful work of gonzo journalism predating the widespread acknowledgement of the opioid epidemic as such immerses the reader in the world of homelessness and drug and alcohol abuse in the contemporary United States For over a decade Philippe Bourgois and Jeff Schonberg followed a social network of two dozen heroin injectors and crack smokers in the San Francisco drug scene accompanying them as they scrambled to generate income through burglary larceny panhandling recycling and day labor Righteous Dopefiend interweaves stunning black and white photography with vivid dialogue oral biography detailed field

notes and critical theoretical analysis to viscerally illustrate the life of a drug addict Its gripping narrative develops a cast of characters around the themes of violence racism and race relations sexuality trauma embodied suffering social inequality and power relations The result is a dispassionate chronicle of fixes and overdoses of survival loss caring and hope rooted in the drug abusers determination to hang on for one more day through a moral economy of sharing that precariously balances mutual solidarity and interpersonal betrayal

Changing Substance Abuse Through Health and Social Systems William R. Miller, Constance M. Weisner, 2012-12-06 In both developed nations and the developing world there is a clear trend towards addressing alcohol tobacco and other drug problems through health and social services There are several persuasive arguments for this shift beyond pure economics which include comorbidity cost effectiveness coordination of care and effectiveness This is the first volume to pull together effective methods that can be used for addressing substance abuse through health and social service systems It also integrates interventions for a range of drugs of abuse rather than focusing on only one such as alcohol The book s international perspective also makes this a unique contribution to the existing literature

Research on Alcoholism Treatment Marc Galanter, 2006-04-11 From the President of the Research Society on Alcoholism The sixteenth volume of Recent Developments in Alcoholism contains the latest information on the field of alcoholism treatment research This scholarly volume includes comprehensive reviews of the methodologies available to evaluate treatment outcome state of the art psychosocial interventions and recent advances in pharmacological adjuncts to treatment that are currently available and those on the brink of application Other sections of the book address special issues in the treatment of alcohol dependence including the treatment of the adolescents and other unique populations the management of tobacco dependence and the role of spirituality in recovery among others The clinician will find these reviews an important resource for learning about evidence based treatments for alcoholism and the researcher will find the synthesis of recent developments informative and forward looking The research agenda for the future rests soundly on the progress to date and additional advances in the treatment of alcoholism can be predicted in the near future Stephanie O Malley Ph D President Research Society on Alcoholism xi Preface From the President of the American Society of Addiction Medicine This excellent volume presents investigations covering a wide spectrum of scientific issues It is also evident that many of these articles have clinical significance ranging from assessments of disorder monitoring clinical progress and behavioral and pharmacological interventions

Not for Sale Rebecca Whisnant, Christine Stark, 2004 Prostitution and pornography are linked with racism and male dominance as well as with imperialism militarism including torture and global corporate culture The result is devastating harm for women and children within these industries Subjected to physical and psychological violence poverty drug addiction and homelessness are their usual companions With its mix of personal stories theory research testimony and accounts of current activism *Not For Sale* will be an invaluable resource for all those seeking to inform themselves about the realities of the sex business and will serve to strengthen and broaden feminist resistance to

pornography and prostitution **Blinded by Hope** Meg McGuire, 2025-07-30 One day a teenage boy gets on his bike and rides forty miles up California's Pacific Coast Highway to avoid causing an earthquake he fears will endanger his mother and sister But the quake he is experiencing is not coming from beneath the earth it's the onset of bipolar illness Blinded by Hope describes what it's like to have an unusually bright creative child and then to have that child suddenly be hit with an illness that defies description and cure Over the years McGuire attributes her son's lost jobs broken relationships legal troubles and periodic hospitalizations to the manic phase of his illness denying the severity of his growing drug use but ultimately she has to face her own addiction to rescuing him and to forge a path for herself toward acceptance resilience and love A wakeup call about the epidemic of mental illness substance abuse and mass incarceration in our society Blinded by Hope shines a light on the shadow of family dynamics that shame ignorance and stigma rarely let the public see and asks the question How does a mother cope when love is not enough **Closing Doors** Latonya C. Smith, 2017-05-30 The Lord then said to Noah Go into the ark you and your whole family because I found you righteous in this generation Genesis 7:1 Closing Doors is a dynamic expose on who what and why bloodlines and generations are robbed of purpose Prophet LaTonya releases insight with prophetic precision that will enlarge the capacity of each reader to possess the inheritance of their families through deliverance healing and wholeness This book will empower you to identify hidden contraband that hinders generational transfers of blessings Dig for your family's assets Banish family iniquities proclivities Transfer legacy to your generations The Prophetic penmanship of Closing Doors will challenge you into action until manifestation becomes evident Birthrights and blessings are in your divine covenant with God Your life's paradigm as it relates to bloodlines generations ministry and the nations will shift even as you read the book Are you Repeatedly encountering cyclic setbacks Called to ministry and yet your fruit is temporal Encountering repeated battles of sin structures and demonic strongholds in your family Challenged with your destiny seemingly drifting further away You can expect this book to answer these questions with clarity The call to action is CLOSE the DOOR
