## **Hope A Canoe English Edition:**

Memoirs of James Robert Hope-Scott of Abbotsford, D. C. L., Q. C., late Fellow of Merton College, Oxford with Selections from his Correspondence Robert Ornsby, 1884      To Live upon Hope Rachel Wheeler, 2013-05-15 Two Northeast Indian communities with similar histories of colonization accepted Congregational and Moravian missionaries respectively within five years of one another the Mohicans of Stockbridge Massachusetts 1735 and Shekomeko in Dutchess County New York 1740 In To Live upon Hope Rachel Wheeler explores the question of what missionary Christianity became in the hands of these two native communities The Mohicans of Stockbridge and Shekomeko drew different conclusions from their experiences with colonial powers Both tried to preserve what they deemed core elements of Mohican culture The Indians of Stockbridge believed education in English cultural ways was essential to their survival and cast their acceptance of the mission project as a means of preserving their historic roles as cultural intermediaries The Mohicans of Shekomeko by contrast sought new sources of spiritual power that might be accessed in order to combat the ills that came with colonization such as alcohol and disease Through extensive research especially in the Moravian records of day to day life Wheeler offers an understanding of the lived experience of Mohican communities under colonialism She complicates the understanding of eighteenth century American Christianity by demonstrating that mission programs were not always driven by the destruction of indigenous culture and the advancement of imperial projects To Live upon Hope challenges the prevailing view of accommodation or resistance as the two poles of Indian responses to European colonization Colonialism placed severe strains on native peoples Wheeler finds yet Indians also exercised a level of agency and creativity that aided in their survival
