

The background of the cover features a dramatic, high-contrast scene. On the left, a man in a dark suit and white shirt is shown from the chest up, holding a handgun. His face is partially visible in profile. In the center-right, a car is shown in mid-air, having just crashed or jumped, with a large plume of fire and smoke trailing behind it. The background is a city skyline with tall buildings under a fiery, orange-red sky. The overall tone is action-packed and suspenseful.

Littell, 1884 The Lion and the Queen I Hope to Be.... Cindy Gilbert, 2020-10-30 In life we are given several opportunities to get closer to our Dad In this story I describe how my story is like that of the Lion and the King a story told in India A king is told that he will be killed and going to hell and out of his fear he tries to come up with a solution The King finds out that if he is injured the lion who is a symbol of the devil will not kill him because the lion will not kill its prey if it is already injured The King then decides to injure

himself and therefore he will no longer fall victim to the lion because the lion likes a challenge and the King is no longer a challenge since it is injured The injured King then seeks to find comfort to his pain and his pain causes him to seek his creator who can heal all vessels and direct them in the righteous path or destroy the body and the soul on a lake of fire When the King approaches his creator his creator has sympathy for him and restores him and shows him the righteous path to stay away from the Lion therefore giving him an opportunity to be a part of the royal family in heaven The situation of the Lion and the King is like mine because I became injured and through my injuries came to find refuge in my Dad who is also my creator In this book I describe in haiku free style poetry and short stories how the Lion was out to get me and my injury saved me causing me to get closer to my Lord and Savior also known as my Dad This story that you are about to read is about me a child of God who received refuge and healing through our higher power **Lessons of hope, readings from the works of F.D.
