World of Whorecraft Luke Lafferty, EXCERPT Let me see it she asked the Orc Her heart was pounding in her chest He unhooked the last chain from its hinge and let his cup drop in two pieces below him There in front of her was the largest most beautiful cock she'd ever laid her eyes upon And the timing couldn't be better It stood fully erect its well defined crown was pink and the Orc's shaft was light green It was long thick and bulging It looked like it wanted to break out of its own skin rock solid and swollen Does it hurt she asked him Yes It feels quite swollen right now my young lady She leaned in and looked into his eyes This Orc was gentler than the rest despite what he might say Yet there was something else too She could see a flare in his crimson pupils an animalistic desire that ran deep No soft touch could break it She gulped then kissed him softly standing on her tippy toes while the beast leaned over and hung his shoulders over her She heard his breathing which was now deep and heavy She felt his phallus leaning like a stone against her chest The Orc's tongue pushed into her mouth almost choking her She pulled away hesitant now that she had a taste of

his aggression But her wanting clung to her like a damp towel She needed this Her gaze lowered down his rock hard body past his waist and down at his imposing shaft She d seen hundreds if not thousands of horses in her day and the Orc was easily equal their size It was big enough to do damage in fact Her hand reached out and felt the solid phallus It felt like it just jumped out of a hot fire It pulsated as she collapsed her hands around it The Orc grunted She hardly had to bend down to touch her lips to the pinkish crown of his cock She ran her lips along it and down the underside of his shaft He breathed heavy like a panting wolf She began to stroke him up and down as she struggled to fit his knob into her wet mouth The knob stretched her lips wide She couldn t take it any deeper Growing impatient already the beast grabbed her by the back of the hair and began thrusting his hips forcing her to take him deeper She gagged and salivated around it pushing her hands against his legs to slow him down Pre cum filled her mouth in wet gobs She felt equally violated and turned on Her pussy dripped juice down her thigh She needed him now He stood her up and reached out grasping her breasts hard enough that she lost her footing but the Orc caught her She was leaning back against his hand now an effortless test of his strength His fingers ran up her hard nipples and she felt her stomach flutter His breathing became even more labored as the last bit of decency drained from his psyche He turned her over and leaned her against a boulder pushing his weight against her She turned her face to the side her body helplessly sandwiched against the rock from his crushing weight She felt his large knob rub against the slit of her opening This is your last chance to back out the Orc warned I would take it if I were you It had been so long she was wet with desire Her heart raced in chest confused with fear and lust The beast leaned in and ran his long tongue along her ear and breathed deeply into it Do it she begged I want it inside me She felt his massive size against her again but this time he held it there She whimpered in fear Slowly he began to buck his hip downward sliding the tip of the pink and green behemoth inside her Ahhhhhhhh She wailed It was only the crown and already her lips felt stretched to their capacity He bucked downward again Nah nah nah no It s too much I can t take it but it was too late to talk the Orc out of it His lust was perverse and unwavering The Orc bucked his legs fully against her ass and half his cock impaled her naked body Nahhhhhh no no no no She felt it twitch and pulse inside her and each time it did she felt it would tear through her womb and stomach The beast held his place as she stood helplessly stabbed by the massive Orc muscle He began to thrust With each push it felt like a hot knife was stabbing her making her wince and cry out with each one The Orc salivated on her shoulder and she could feel his hot breath and musty odor The girth of his manhood stretched her impossibly wide warcraft orc erotica bestiality animal sex elves lord of the rings erotica orcs goblins monster sex animal cock huge pain virgin woman and animal beast on woman hairy green monster world of Warcraft farm fantasy erotica medieval adventure Pleasuring My Rough Orc Master, Slave to a Lusty Orc Beast Cain Katya (author),1901 **My Orc Mate** Lilith Leana,2023-06-10 Seducing the Orc Mia loves playing Dungeons and Dragons Playing with a new group she meets a shy nerdy Orc with whom she has an instant connection She thinks he is her Mate now she only has to seduce him to convince him they are perfect for
