Interracial Romance Short Stories) Viola Black,2016-09-14 My name is Lisa Simone Williamson and I used to be the luckiest girl in the world For starters I was rich Even better I was actually born into money My parents were once the proud owners of Simone Cosmetics one of the largest and most successful African American owned and operated cosmetic companies in the world My parents both came from very hard working families But their families worked hard for other people which was a concept that neither my mother nor father ever understood My parents believed that if they were going to work hard then they would work hard for themselves So when they met one another and realized just how like minded they were the twosome joined forces both personally and professionally got married and created what eventually became Simone Cosmetics After they had been married for a while and their company was up and running my parents decided that they were ready to start a family Not long after I came along I must admit I had quite a charmed childhood I lived in the most beautiful home that was located in the nicest part of town attended the best schools and had the greatest friends My parents also got me involved in their business early on because they had every intention on passing it down to me one day So I knew

everything that there was to know about running Simone Cosmetics However my favorite aspect of the company was its dynamic marketing department I always loved watching the dapper men and glamorous women who worked in that area come up with creative and artistic ways to package and promote the wonderful products that my parents had created Once I graduated from high school and went off to attend one of the top universities in the country I decided to major in marketing Those college years were wonderful I met a lot of incredible people was taught by some of the best instructors and still remain close to the women I met when I pledged one of the top African American sororities in the country Alpha Kappa Kappa During the summers I would go home and intern at my parents company in the marketing department of course Those essential internships helped guide and motivate me and kept me focused Ultimately I always knew I would return to my parent s company upon graduation join the marketing team and work my way up until I was running the show But one of the most exciting experiences I had during college was meeting the man of my dreams David James David was the star of the basketball team and I was his biggest fan My sorority sisters and I were considered celebrities on our college campus and we always hosted the biggest parties and turned heads everywhere we went The basketball players were regular party goers and David and I would always flirt whenever we d see one another So I wasn t surprised when one of David s teammates who just so happened to be dating my best friend Janice passed a message along saying that David was interested in me

plan for her dragging her right back into Jason's life leaving her questioning everything. Mainly is the sizzle enough to stick around for *Playing Hard*. It's only a fake romance; it can never be real. Even if it does start to feel like there's something there, James is a rock star player with the whole world at his feet. Thea is a sweet R and B starlet who's trying to get started. Nothing about them matches; there's no way they should work. At least that's what they think. Their managers arrange for them to be together for a while just to help boost their reputations. Neither of them like the plan, but they have to see if it'll work. And it does. A little too well. When real feelings get in the way, the whole mess threatens to implode. Their close proximity and undeniable chemistry make it challenging to keep apart, even if they both know that someone will end up with a broken heart. *Temptation Next Door*. Tamsyn and Will used to live next door to one another. Now they are about to do so again. From friends to enemies to nothing to lovers. He's back. Tamsyn hasn't seen Will since high school, and it's fair to say things were not left on good terms. One day he just turned on her, and she has no idea why. He stopped being her friend and became her enemy instead. He's hot. He certainly isn't a young boy anymore. Will has grown into a gorgeous man with a body to die for. He's making Tamsyn feel things she hasn't ever before. All she wants to do is put her hands on that body. He's a father. With a young boy in tow and no woman in the picture, Tamsyn doesn't know what to think, but are things about to become very complicated. From friends to enemies to nothing, what could come next? **Dating the White Billionaire** Lena Skye, 2014
