What Every Student Should Know about Citing Sources with MLA Documentation Michael Greer, 2007. What Every Student Should Know About Citing Sources with MLA Documentation provides specific instructions on writing and referencing in the Modern Language Association MLA style. It offers a comprehensive listing of in-text and works-cited models for a wide variety of print, electronic, and online sources. Included too are frequently asked questions about MLA style and guidelines for formatting research papers. The What Every Student Should Know About series is a collection of guide books designed to help students with specific topics that are important in a number of different college courses. Instructors can package any one of these booklets with their Allyn Bacon Longman textbook for no additional charge or the booklets can be purchased separately. Consult your local Allyn Bacon Longman representative for more details.

Rules for Writers with Writing about Literature (Tabbed Version) Diana Hacker, Nancy Sommers, 2012-01-16. When it comes to value, Rules for Writers is a college writer's companion that covers writing, grammar, research, and documentation in an extremely affordable and portable spiral-bound format. From the best-selling family of handbooks, Rules has consistently been the best value for college writers. Now it's even more so. The Seventh Edition actually teaches students how to make better use of their handbook. With new material about how to integrate the handbook into lessons and class activities, Rules for Writers is an even more useful tool for instructors. We like Rules because it's affordable, easy to use, and flexible enough for multiple courses. Anne Helms, Alamance Community College.

Primary Research and Writing Lynne Lewis Gaillet, Michelle F. Eble, 2015-08-20. Developed for emerging academic writers, Primary Research and Writing offers a fresh take on the nature of doing research in the writing classroom. Encouraging students to write about topics for which they have a passion or personal connection, this text emphasizes the importance of primary research in developing writing skills and abilities. Authors Lynne Lewis Gaillet and Michelle F. Eble have built a pedagogical approach that makes archival and primary research interesting, urgent, and relevant to emerging writers. Students are able to explore ways of analyzing their findings and presenting their results to their intended readers. With in-text features to aid students in understanding primary research and its role in their writing, chapters include special elements such as Communities in Context, Profiles of traditional and digital communities that help students understand the characteristics of communities and group members, Profiles of Primary Researchers, Spotlights
