- Remember: Huck believes what he's been told in Sunday School. He believes that God will punish evil people by sending them to hell for eternity. And he believes that slavery, like other American institutions, has the Heavenly Stamp of Approval.
- So he really does believe he will go to hell – yet he decides to do it because he feels for Jim as a human being, even if all the “good” people – and even if God – don't.
- If helping the only real friend he has is wicked according to the “civilized” people, then he'll be wicked and give up all hope of reforming.
