Illusion Of An Ending:

The Illusion of the End Jean Baudrillard, 1994 The year 2000 the end of the millennium is this anything other than a mirage the illusion of an end like so many other imaginary endpoints which have littered the path of history In this remarkable book Jean Baudrillard France s leading theorist of postmodernity argues that the notion of the end is part of the fantasy of a linear history Today we are not approaching the end of history but moving into reverse into a process of systematic obliteration We are wiping out the entire twentieth century effacing all signs of the cold War one by one perhaps even the signs of the First and Second World Wars and of the political and ideological revolutions of our time In short we are engaged in a gigantic process of historical revisionism and we seem in a hurry to finish it before the end of the century secretly hoping perhaps to be able to begin again from scratch Baudrillard explores the fatal strategies of time which shape our ways of thinking about history and its imaginary end Ranging from the revolutions in Eastern Europe to the Gulf War from the transformation of nature to the hyper reality of the media this postmodern meditation on modernity and its aftermath will be widely read *Illusion of an Ending* Danielle Soucy, 2008 [The Collected Works](#) U. unite Lorrena discovers the unbearable grief that haunts Patricia's every move. Now not only must she convince Patricia that her son's soul has survived the fatal crash, she must also travel beyond space and time to access the Akashic Records, the library of all of Human Existence, and write their stories as one—a story that ultimately shatters the boundaries between life and death.

U. G. Krishnamurti: Collected Works U. G.
