 represent you or your business may or may not make economic sense The debt you are seeking to recover may be less than
 the fee charged by an attorney While it may be economically desirable for an attorney to represent you or your business in

employing an attorney or if the case never gets to court because the plaintiff does not have an adequate amount of knowledge of his or her interests the debt goes unpaid The plaintiff loses either way because the debt is still not paid By reading and studying this book you will gain knowledge to assist you in maintaining more control over your bottom line Larger net profits are important for any business enterprise The materials contained on the pages of this book will show you how to better manage your company s small claim debt collection efforts by effectively using the Small Claims Court You should be able to significantly increase your odds of collecting your judgment in Small Claims Court a court specifically designed by state law for the litigant with multiple small claims ON YOUR OWN NORTH CAROLINA SMALL CLAIMS COURT is a book that offers basic guidance to the individual who has never been to Small Claims Court yet provides material that should be of assistance to the individual who has represented himself or his business on a regular basis I cannot overemphasize methodical study and understanding of the law If this book is read with care and understood it will be helpful to you in the collection of small claims and the settlement of disputes Mary Anne Nixon Attorney at Law
