anthropology      **Language and Masculinities** Tommaso M. Milani, 2014-12-05 This volume showcases cutting edge research in the linguistic and discursive study of masculinities comprising the first significant edited collection on language and masculinities since Johnson and Meinhof's 1997 volume Overall the chapters are linked together by a critical analytical perspective that seeks to understand the relationships between discourse masculinities and power Whereas some of the chapters offer detailed linguistically informed critiques of the ways in which old and new expressions of masculinities are complicit in the reproduction of men's hegemonic positions of power others provide a more complex picture one in which collusion and subversion go hand in hand Contributions argue for the need for research on language and masculinities to expand its remit so as to engage with gay masculinities and unsettle gendered categories in order to consider the ways in which women transgender and intersex individuals also perform a variety of masculinities Finally unlike Johnson and Meinhof's 1997 collection this volume not only offers a wider and perhaps queerer perspective on the study of language and masculinities but also covers a broader geographical and socio cultural spectrum including work on Brazil Israel New Zealand Singapore and South Africa      **Challenges of Anglophone Language(s), Literatures and Cultures** Alena Kačmárová, 2017-01-06 This book explores scholarly challenges within the fields of Anglophone language literature and culture The section focusing on language details issues falling within two areas namely language contact and the language culture relationship and stylistic and syntactic perspectives on the English language The literature part investigates twentieth century American English and Australian literature dealing with both poetry and prose and discussing topics of identity gender metafiction postmodern conditions and other relevant theoretical issues in contemporary literature The culture part treats theoretical approaches in cultural studies that are vital in today's cultural context especially in Central European universities the Irish language and culture and contemporary cultural phenomena inspired by the growing ubiquity of technological intrusions into various fields of cultural production      Shifting Visions Allyson Jule, 2015-02-05 This collection of studies explores recent research in the area of gender and language use experienced around the world Featuring an interdisciplinary and global approach the contributors demonstrate how focus on gender and language creates the lived experience The studies in this book use gender and language to analyze a broad range of topics including religion politics education and sexuality Contributions include the use of language of a new female bishop in Canada heteronormativity in language use in Croatia women's magazines in Japan and the electoral code in Cameroon Using critical feminist discourse analysis the chapters represent scholarship from Britain Europe North America Asia and Africa Readers in applied linguistics sociology women's studies and education who are interested in language and its power in creating the lived experience will find this book full of intriguing and illuminating connections      Racing Translingualism in Composition Tom Do, Karen Rowan, 2022-09-15 Racing Translingualism provides both theoretical and pedagogical reconsiderations of the translingual approach to language diversity by addressing the intersections of race and translingualism This collection extends the

disciplinary conversations about translingualism by foregrounding the role race and racism play in the construction and maintenance of language differences In doing so the contributors examine the co naturalization of race and language in order to theorize a race conscious translingual praxis The book begins by offering generative critiques of translingualism centering on the ways in which the approach s democratic orientation to language avoids issues of race language and power and appeals to colorblind racist tropes of equal opportunity Following these critiques contributors demonstrate the important intersections of race and translingualism by drawing upon voices typically marginalized by monolingual language ideologies and pedagogies Finally *Racing Translingualism* concludes by attending to the pedagogical implications of a race conscious translingual praxis in writing and literacy education Making the case for race conscious rather than colorblind theories and pedagogies *Racing Translingualism* offers a unique take on how translingualism is theorized and practiced and moves the field forward through its direct consideration of the links between language race and racism Contributors Lindsey Albracht Steven Alvarez Bethany Davila Tom Do Jaclyn Hilberg Bruce Horner Aja Martinez Esther Milu Stephanie Mosher Yasmine Romero Karen Rowan Rachael Shapiro Shawanda Stewart Brian Stone Victor Villanueva Missy Watson *Debating Social Problems* Leonard A. Steverson, Jennifer E. Melvin, 2018-09-03 *Debating Social Problems* emphasizes the process of debate as a means of addressing social problems and helps students engage in active learning The debate format covers sensitive material in a way that encourages students to talk about this material openly in class This succinct text includes activities that promote critical thinking and includes examples from current events *Language, Culture, and Society* James Stanlaw, Nobuko Adachi, 2025-03-31 Why should we study language How do the ways in which we communicate define our identities And how is this all changing in the digital world Over seven editions many have turned to *Language Culture and Society* for answers to questions like these because of its comprehensive coverage of all critical aspects of linguistic anthropology This eighth edition carries on the legacy while addressing some of the newer pressing and exciting challenges of the twenty first century such as issues of language and power language ideology linguistic diasporas as well as online and digital ecosystems New to this edition are a reconceptualization of how linguistics approaches race gender and sexuality with additional chapters and sections on how linguistics benefits archaeology and biological anthropology as well as considerations of the relationship between language and truth ethics and war and politics It also features enhanced and updated pedagogical features such as learning objectives updated resources for continued learning and cross references to updated encyclopedias of linguistic anthropology ***Language, Culture, and Society*** Zdenek Salzmann, James Stanlaw, Nobuko Adachi, 2014-07-08 Why should we study language How do the ways in which we communicate define our identities And how is this all changing in the digital world Since 1993 many have turned to *Language Culture and Society* for answers to questions like those above because of its comprehensive coverage of all critical aspects of linguistic anthropology This seventh edition carries on the legacy while addressing some of the newer pressing and exciting challenges of the 21st

century such as issues of language and power language ideology and linguistic diasporas Chapters on gender race and class also examine how language helps create and is created by identity New to this edition are enhanced and updated pedagogical features such as learning objectives updated resources for continued learning and the inclusion of a glossary There is also an expanded discussion of communication online and of social media outlets and how that universe is changing how we interact The discussion on race and ethnicity has also been expanded to include Latin and Asian American English vernacular

**A Feminist Reading of China's Digital Public Sphere** Altman Yuzhu Peng, 2020-10-20 This book makes an original contribution to the field of feminist cultural studies through an analysis of the gender politics axis established in China's digital public sphere While a growing body of literature in contemporary feminist cultural studies has turned attention to the Chinese environment scholarship remains limited in exploring the intersection of gender and politics in the context of Chinese digital cultures This book addresses this timely topic It will appeal to both scholars and students interested in exploring the complex dynamic interplay between digital cultures public expressions as well as representations and perceptions of gender reflected in Chinese Internet users everyday communicative practice from a feminist media studies perspective

The Top Books of the Year Language Gender And Feminism Theory Methodology And Practice Louise Mullany The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. Language Gender And Feminism Theory Methodology And Practice Louise Mullany : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Language Gender And Feminism Theory Methodology And Practice Louise Mullany : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Language Gender And Feminism Theory Methodology And Practice Louise Mullany : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
