

INTRODUCTION

This Service Manual is intended as a guide to assist those responsible for the maintenance and overhaul of trucks in the PRER 5 range.

The main CONTENTS, page 2 gives the various sections into which the manual is divided, whilst a more detailed CONTENTS will be found at the beginning of each section.

It is emphasised that only genuine Lansing Bagnall spare parts should be used when carrying out repairs. The fitting of parts other than those supplied by Lansing Bagnall invalidates the guarantee.

When overhauling any unit, all seals, tab-washers or split-pins must be renewed. The unit must then be greased or filled with the correct grade of lubricant. See the 'Operating Handbook'.
