

Lessons 1 - 14

Lesson one

Focus Question: How and why has our community changed?

Preparation

Prepare a map of the local area in A3 size

Resource

A3 size map of Strathfield (Appendix 1.1 pp04)

A3 size Chart with headings (Appendix 1.2 pp05)

Introduction

Explain to the students that they are going to become historians and investigate how and why their local community has changed.

Introduce the focus question and get the students to make a title page in their HSTC book.

Body

INSTEAD (200SAR)

Show a map (Appendix 1.1 pp04) of Strathfield showing local park areas, roads and buildings. Ask the students some questions to get them thinking about their local area.

Questions:

What are the origin names of places/sites?

What are they used for?

How old do they think the places/sites are?

Are there any changes in the community you have seen?

And why have they have changed?

Record the information on a chart (Appendix 1.2 pp05)

NOTE: Chart will be reviewed at the end of the unit

After the information has been recorded introduce the 4 contributing questions so that the students are aware of what they will be investigating.

This will help them think about things they may already know and get them motivated about what they will be doing.

Conclusion

Tell the students that next lesson we will be looking at the first inhabitants of our local community.

Lesson two

CQ1: How did the first inhabitants of our local area live?

Preparation

Organise books and websites about the local Aboriginal people.
