Transformation in Christ David A. Ackerman, 2019-06-06 Although Paul used language similar to the religions and cultures of his time he had a unique understanding of the mystery of God The once hidden plan of God was revealed and fulfilled in the person of Jesus of Nazareth Saul of Tarsus experienced a fundamental change when he encountered the risen Jesus on the road to Damascus This vision gave him new direction and purpose and profoundly changed his understanding of God s plan for humanity Paul often uses the phrase in Christ or its variations to describe this plan Being in Christ results in transformation into Christ s likeness of holiness and love through the indwelling Holy Spirit Those in Christ form a new community that crosses ethnic barriers is bound together in fellowship with the Triune God and fulfills its purpose of holiness before him Paul s answer to the struggles people face is simple when one is united with Christ by dying to the old self and committing to his supremacy one will find victory over any force opposed to us in this world This book explores one of the most profound claims in the New Testament that demands a response of its readers Ecclesiastical Review ... It conveys the lived impact of divisive political rhetoric on immigration and how race gender class and ethnicity inform community belonging in the twenty first century Latino Heartland illuminates how community membership was determined yet simultaneously re made by those struggling to widen the scope of who was imagined as a legitimate resident citizen of this Midwestern space The volume draws on interviews with Latinos both new immigrants and long standing U S citizens and whites as well as African Americans to provide a sense of the racial dynamics in play as immigrants asserted their right to belong to the community Latino Hoosiers asserted a right to redefine what belonging meant within their homes at their spaces of worship and in the public eye Through daily acts of ethnic belonging Spanish speaking residents navigated their own sense of community that did not require that they abandon their difference just to be accepted In Latino Heartland Sujey Vega addresses the politics of immigration showing us how increasingly diverse towns can work toward embracing their complexity
