Not Quite Gone (A Lowcountry Mystery) Lyla Payne, 2015-08-14 Life in Heron Creek is looking up for Graciela Harper despite the fact that every ghost within a fifty mile radius seems intent on sticking to her like glue and not the weak Elmer's kind either But with a sexy boyfriend her old friends back in her life and a great job prospect at one of the oldest plantations in the country it's hard to complain even if her new boss is said boyfriend's mother Things don't stay uncomplicated for long as not one ghost but two show up at Drayton Hall One wants closure which Gracie thinks she can handle but the other seems to know more than she should about the centuries old voodoo curse on Gracie's own family As she digs deeper into the past of not only the plantation grounds but Beau's family tree surprising secrets claw their way to the surface With Mrs Drayton breathing down her neck a shift in her abilities Amelia's custody case taking a turn for the worse and the sudden appearance of her decidedly not dead father Gracie has her hands full She might be able to tackle all of those things with the help of a friend or two some breathing some not but there's one crossroads Gracie doesn't see coming It's the choice between family and romance and she's not the only one being forced to make it

Exist Once More (The Historians, Book Two) Trisha Leigh, 2016-12-05

Quite Curious (A Lowcountry Novella) Lyla Payne, 2015-07-12 This is an in between novella and not a full length novel Graciela is hoping that despite the reappearance of her father who's supposed to be dead her life in Heron Creek might be about the calm down Her boyfriend's mother has other ideas ones that include getting to know her son's new squeeze The proposition makes Beau nervous for more than one reason a couple of which would be news to Gracie Amelia's therapy appears to be going well so that's working in Gracie's favor but with trouble brewing in Will and Mel's marriage the moonshiners getting more involved in Heron Creek affairs instead of less and Leo's sister Lindsay returning from her stint in

the state pen settled isn't the best word to describe life in the small town Gracie is starting to think that maybe seeing ghosts is the least complicated thing about her and she's probably right Includes POVs from Beau Will Leo Amelia and Clete *Not Quite Mine (A Lowcountry Mystery)* Lyla Payne, 2016-05-31 *Not Quite Dead* Lyla Payne, 2014-03-27 A broken engagement sends Graciela Harper crawling back to Heron Creek with her tail between her legs but finds the sleepy little town too changed to set her life right Not even her budding drinking problem can obscure her Gramps's failing health or erase the mental picture of her first love happily married to her childhood best friend To top it all off she's having a heck of time convincing the town's dashing young mayor of her unfit for dating status When the ghost of 18th century lady pirate Anne Bonny starts insisting on a near daily audience Graciela has to confront something else she never expected being certifiably nuts at twenty five years old Her brand new I don't give a crap attitude makes it easy to dismiss the mysterious threats that seem to be tied to her search for more information on the long dead pirate but when her family becomes a target Gracie knows she needs to find out why the ghost insists on being a constant reeking companion If Graciela can put aside her prejudice against people without a pulse she may discover that Anne Bonny's problems are intricately linked with her own The past harbors answers could help the cantankerous spirit find closure but she is after all already dead If Graciela doesn't move fast she might find herself doing the haunting instead of the other way around *A Royal Wedding (A Piacere Princes Novella, #1)* Lyla Payne, 2016-11-18 This in between short novella follows The Playboy Prince It will detail a royal wedding and preview what is to come with the Piacere family in the follow up The Dutiful Prince January 2017 **Winter Omens** Trisha Leigh, 2012-09-25 Althea and Lucas barely escaped the Others' clutches in the autumn and were separated in the process Alone and on the run from the cruel alien race determined to exterminate her Althea struggles to adapt and survive in a world she never imagined When a boy named Pax appears out of nowhere he quickly recognizes Althea for what she is a human Other hybrid just like him Althea begs him to help her find Lucas but Pax refuses intent on following his own mysterious agenda The Others' presence continues to devour the planet's resources and if history is an indication they won't leave until Earth is destroyed beyond repair Althea and Pax sense the only way to save themselves and maybe their home is to understand the powers simmering inside them Together they push the limits of their capabilities in the quiet Wilds but are soon confronted with a terrifying fact no place is safe from the relentless pursuit of the Others Least of all their own minds **Buried** Trisha Leigh, 2016-01-09 Gypsy and her friends may still be reeling from the information overload after learning more about who they are not to mention the losses they sustained but between the government the Olders and the Siphons they have little time to rest After the Siphons force Pollyanna to commit a horrific crime on live television the Cavies know they have to focus on not only getting her back but by bringing the group of rogues to justice once and for all The deeper they get into the world of experiments and government conspiracies the clearer it is that there's no one to trust but themselves any maybe they can't even trust that anymore With their talents developing their relationships changing and

millions of lives hanging in the balance can the Cavies find a way to convince the world that they re more than what s been done to them If they can t they ll the ones who will spend their lives locked in padded cells and the truth will be buried with them

Not Quite Fixed (A Lowcountry Mystery) Lyla Payne, After being back in Heron Creek for eight months Graciela Harper isn t surprised when she sees ghosts Not anymore When it comes to the Boone family and Leo in particular though there are some metaphorical ghosts Gracie and everyone else would rather stayed put in their graves But when one of their own returns from the dead to ask for help Gracie and the Boones have no choice but to face the past and the present no matter what sort of havoc it wrecks on their lives Add a new ghost to mysterious car trouble random anonymous gifts and a moonshiner still missing and Gracie s up to her neck in trouble Good thing she s getting used to it

Alliance Trisha Leigh,2015-01-17

Whispers in Autumn Trisha Leigh,2012-07-23 In 2015 a race of alien Others conquered Earth They enslaved humanity not by force but through an aggressive mind control that turned people into contented unquestioning robots Except sixteen year old Althea isn t content at all and she doesn t need the mysterious note inside her locket to tell her she s Something Else It also warns her to trust no one so she hides the pieces that make her different even though it means being alone The autumn she meets Lucas everything changes Althea and Lucas are immune to the alien mind control and together they search for the reason why What they uncover is a stunning truth the Others never anticipated one with the potential to free the brainwashed human race It s not who they are that makes them special but what And what they are is a threat One the Others are determined to eliminate for good

Not Quite Right (A Lowcountry Mystery) Lyla Payne,2016-04-26 For the living the dead and the people stuck somewhere in between Heron Creek has become a battleground Graciela Harper might be new seeing ghosts fighting curses and just living with her old friends again but there s no doubt she s on the front lines and overwhelmed Leo and Mel have been arrested Amelia teeters on the edge of a deep depression that could cost her her child Beau her boyfriend who might not quite be her boyfriend anymore is breaking her heart None of that will matter if Gracie can t figure out how to break the hundreds year old curse on the male line of her family She knows she needs to focus on that but with the future of one of South Carolina s oldest and most prestigious families hanging in the balance she s tempted to try to save them too What Gracie s about to learn is that she can t do this alone and every single person who has entered her life since her return to Heron Creek will need to pitch in for her to succeed Well that and the fact that she might not be able to save everyone not even herself
