**The Hobbit** J.R.R. Tolkien, 2012-02-15 This deluxe hardcover edition of J R R Tolkien s classic prelude to his Lord of the Rings trilogy contains a short introduction by Christopher Tolkien a reset text incorporating the most up to date corrections and all of Tolkien s own drawings and full color illustrations including the rare Mirkwood piece J R R Tolkien s own description for the original edition If you care for journeys there and back out of the comfortable Western world over the edge of the Wild and home again and can take an interest in a humble hero blessed with a little wisdom and a little courage and considerable good luck here is a record of such a journey and such a traveler The period is the ancient time between the age of Faerie and the dominion of men when the famous forest of Mirkwood was still standing and the mountains were full of danger In following the path of this humble adventurer you will learn by the way as he did if you do not already know all about these things much about trolls goblins dwarves and elves and get some glimpses into the history and politics of a neglected but important period For Mr Bilbo Baggins visited various notable persons conversed with the dragon Smaug the Magnificent and was present rather unwillingly at the Battle of the Five Armies This is all the more remarkable since he was a hobbit Hobbits have hitherto been passed over in history and legend perhaps because they as a rule preferred comfort to excitement But this account based on his personal memoirs of the one exciting year in the otherwise quiet life of Mr Baggins will give you a fair idea of the estimable people now it is said becoming rather rare They do not like noise Lo Hobbit (illustrato) J.R.R.
