Emerald E Journals Management Plus:

Electronic Journal Management Systems Gary W Ives,2013-10-23 Discover how to manage your library s electronic journals with tips from those who ve already met the challenge The explosive growth of electronic journals presents unique challenges for libraries Electronic Journal Management Systems Experiences from the Field comprehensively examines these complex topics including explanations of the automated systems libraries have developed or adopted licensing issues and the provision of access to electronic journals Respected library professionals discuss their own experiences in the implementation and use of electronic journal management systems helping readers to easily apply effective strategies in their own library Electronic Journal Management Systems Experiences from the Field reveals the available technologies difficulties encountered and successes of different librarians who met the challenge to implement management systems giving readers an inside glimpse of what they themselves may encounter when planning their own system The growth of electronic journals in libraries is addressed along with helpful descriptions of management systems and link resolvers including systems like SFX Serial Solutions TDNet and EBSCO LinkSource The book includes screen shots tables and diagrams to clearly illustrate concepts and information Electronic Journal Management Systems Experiences from the Field discusses a wide range of implementation and use issues including using Microsoft Excel to manage serial subscriptions better integration of management of electronic resources through library vendors one stop serials management and access the selection process of a journal management system the preparation for implementation and subsequent transition process the Web site as a listing and finding tool the benefits of switching to an SFX environment creating a customized database for multiple systems the Innovative Interfaces Inc partnership with libraries to develop a module to manage electronic resources based on the work of the Digital Library Federation s Electronic Resources Management Initiative the evaluation and implementation process of a beta test library with an integrated library system vendor to develop a management system developing a universal management scheme for electronic resources Electronic Journal Management Systems Experiences from the Field brings the latest strategies technologies and cutting edge ideas to every library professional grappling with ways to manage the flow of electronic journals in a library

Proceedings of the 15th European Conference on eGovernment 2015 Dr Carl Adams,2015-06-18 Complete proceedings of the 15th European Conference on eGovernment Portsmouth UK Published by Academic Conferences and Publishing International Limited *Library Resource Guide* ,2005

Choice ,2007 Completing a Professional Practice Dissertation Jerry W. Willis,Ron Valenti,Deborah Inman,2010-06-01 A growing number of both established and newly developed doctoral programs are focusing on the preparation of practitioners rather than career researchers Professional doctorates such as the Doctor of Nursing Practice DNP Doctor of Education EdD Doctor of Pharmacy PharmD Doctor of Professional Studies DProf or DPS and the Doctor of Psychology PsyD are in fact just a few of the professional doctorates being offered today Professional doctorates are the fastest growing

segment of doctoral education The nature of the dissertation and the process of completing a dissertation can be quite different in a professional practice doctoral program but there are few resources for both students and faculty involved in completing and mentoring such dissertations This book was written specifically for students and faculty involved in professional practice dissertation work It addresses both the tasks and procedures that professional practice dissertations have in common with dissertations in research doctoral programs as well as the tasks and issues that are more common in professional practice doctoral programs For example negotiating entry into applied settings and securing the cooperation of practicing professionals is covered as are alternative models for the dissertation e g the three article dissertation or TAD The book also covers tasks such as getting IRB approval for applied dissertation research conducted in the field and how to propose and carry out studies based on applied and professional models of research This book written by three experienced mentors of professional practice dissertation students is the comprehensive guide for both students and faculty

Fundamentals of Collection Development and Management Peggy Johnson,2018-01-16 As a comprehensive introduction for LIS students a primer for experienced librarians with new collection development and management responsibilities and a handy reference resource for practitioners as they go about their day to day work the value and usefulness of this book remain unequalled **Gale Directory of Publications and Broadcast Media** ,2009 Fundamentals of Collection

Development and Management, Fourth Edition Peggy Johnson,2018-07-23 Technical Services Quarterly declared that the third edition must now be considered the essential textbook for collection development and management the first place to go for reliable and informative advice For the fourth edition expert instructor and librarian Johnson has revised and freshened this resource to ensure its timeliness and continued excellence Each chapter offers complete coverage of one aspect of collection development and management including numerous suggestions for further reading and narrative case studies exploring the issues Thorough consideration is given to traditional management topics such as organization of the collection weeding staffing and policymaking cooperative collection development and management licenses negotiation contracts maintaining productive relationships with vendors and publishers and other important purchasing and budgeting topics important issues such as the ways that changes in information delivery and access technologies continue to reshape the discipline the evolving needs and expectations of library users and new roles for subject specialists all illustrated using updated examples and data and marketing liaison activities and outreach As a comprehensive introduction for LIS students a primer for experienced librarians with new collection development and management responsibilities and a handy reference resource for practitioners as they go about their day to day work the value and usefulness of this book remain unequalled

Positive leadership and worker well-being in dynamic regional contexts Martijn Burger,Martine J. H. Coun,Jol Stoffers,Steven Van Den Heuvel,Thomas Van Waeyenberg,Arne Vanderstukken,2024-01-19 **Careers and Talent Management** Cristina Reis,2015-12-07 Careers and Talent Management challenges and deconstructs the notion of the

perfect career in order to provide new perspectives on talent management and career creation It argues that the skills that organizations typically look for as indicative of superstar performance are not necessarily those that lead to competitive advantage Attracting and retaining talent is both challenging and complex for organizations since it is not known especially at the top level which employee skills will be most valuable in helping the organization be competitive globally In this thoughtful book Reis bucks the trend on emerging super talents critically analyzing topics related to the field of general management careers and talent management such as leadership entrepreneurship gender and diversity to demonstrate the range of employee skills that can benefit an organization globally Chapter focuses include global entrepreneurship remote business practices and social responsibility These new perspectives on talent management will help students of human resource management think critically about the implications of pursuing or encouraging a perfect career trajectory
