European Integration and Transformation in the Western Balkans Arolda Elbasani, 2013-09-02 The book investigates the scope and limitations of the transformative power of EU enlargement in the Western Balkans The extension of EU enlargement policy to the region has generated high expectations that enlargement will regulate democratic institution building and foster reform much as it did in Central and Eastern Europe However there is very little research on whether and how unfavourable domestic conditions might mitigate the transformative power of the EU This volume investigates the role of domestic factors identifying stateness as the missing link between the assumed transformative power of the EU and the actual capacity to adopt EU rules across the region Including chapters on Croatia Serbia Macedonia Albania Kosovo and Bosnia Herzegovina leading scholars in the field offer up to date comparative analysis of key areas of institutional and policy reform including state bureaucracy rule of law electoral management environmental governance cooperation with the International Court of Justice economic liberalization and foreign policy Looking to the future and the implications for policy change European Integration and Transformation in the Western Balkans provides a new theoretical and empirical focus on this little understood area The book will be of interest to scholars and students of EU politics comparative democratisation post communist transitions and Balkan area studies

Eu's Eastward Enlargement, The: Central And Eastern Europe's Strategies For Development Yoji Koyama, 2014-12-09 Owing to the global financial crisis of 2007 2009 and subsequently the Eurozone crisis the accession of Central and Eastern European countries to the European Union and the Eurozone has not been an easy one The EU's Eastward Enlargement analyses challenges that these countries currently face in their pursuit of economic self reliance Covering a period from the second half of the 1980s to the present Yoji Koyama provides unique and objective analyses of the European Union and the Euro system from a non European's perspective He offers a detailed reexamination of the fundamental problems of the European Union which in turn have affected the autonomous development of countries such as Poland the former Yugoslavia Albania and the Baltic States This book is a useful addition to the scholarship available on the Euro system and Central and Eastern European countries It will help readers gain a more holistic understanding of the ongoing Eurozone crisis and the future of the Eurozone project
