Paws for Love Mara Wells, 2021-02-23 Broken hearts man woman and dog get a second chance at love healing and happiness under the warm Miami Beach sun in this endearing contemporary romance Danielle Morrow works tirelessly for a greyhound rescue helping retired racing dogs find their forever homes She guards her heart as vigilantly as her two adopted greyhounds guard her One heartbreak per lifetime is enough for any woman and no one she's met since her high school boyfriend dumped her to join the military has ever tempted her enough to risk love again Knox Donovan expected to be career military but an injury and an honorable discharge leave him uncertain of his future When his brothers ask him to come back to Miami Beach to help with their new condo conversion he has no intention of staying on in the city that has so many bad memories for him Knox is reminded that not all his memories are bad when he sees Danielle again at the grand opening of the new Fur Haven Dog Park Fifteen years haven't softened the pain of their breakup But Knox is different now more hard edged and suspicious and when he bonds with the retired racing greyhound Sarge Danielle's cool

reserve begins to melt Sarge needs special care after the injuries that ended his racing career and it's not long before Danielle realizes that Knox does too they can give each other one more chance at the love and friendship they deserve But can Danielle trust her heart to the only man who's ever broken it Snuggle up with your best dog companion and get reading This lighthearted romance includes a veteran who could use a four legged best friend a second chance with a high school sweetheart and a determined heroine who isn't going to let the man of her dreams get away again At the end of the rainbow Lydia Bottenburg,2024-03-14 I lost my son Mathias in a tragic accident on a fateful night in November 2021 He was struck while walking with his dog on the highway completely disoriented due to a benzo he had purchased online This book is my account of everything that happened in the following two years from the heart wrenching news on that fateful night to the moment I had to bury my child and the realization that I would never truly be able to enjoy life again By means of this book I hope to along with Mathias warn others about the danger of research chemicals that are readily available in online stores It illustrates the devastating impact of these seemingly harmless pills often used for relaxation or sleep I found solace by writing this story I honour my son by telling his story in its entirety as raw and honest as we experienced it He was not perfect but he is also a victim **Conversations with George Saunders** Michael O'Connell,2022-06-27 Besides being one of America's most celebrated living authors George Saunders b 1958 is also an excellent interview subject In the fourteen interviews included in Conversations with George Saunders covering nearly twenty years of his career the Booker Prize winning author of Lincoln in the Bardo and Tenth of December provides detailed insight into his own writing process and craft alongside nuanced interpretations of his own work He also delves into aspects of his biography including anecdotes from his childhood and his experiences as both a student and teacher in MFA programs as well as reflections on how parenthood affected his writing the role of religious belief and practice in his work and how he has dealt with his growing popularity and fame Throughout this collection we see him in conversation with former students fellow writers mainstream critics and literary scholars In each instance Saunders is eager to engage in meaningful dialogue about what he calls the big questions of our age In a number of interviews he reflects on the moral and ethical responsibility of fiction as well as how his work engages with issues of social and political commentary But at the same time these interviews like all of Saunders's best work are funny warm surprising and wise Saunders says he has always enjoyed doing interviews in part because he views intense respectful conversation as really an artform an exploration of sorts Readers of this volume will have the pleasure of joining him in this process of exploration **Holy Hatred** R. Michael,2006-10-02 Although Christianity's precise influence on the Holocaust cannot be determined and the Christian churches did not themselves perpetrate the Final Solution Michael argues that two millennia of Christian ideas and prejudices and their impact on Christians behaviour appear to be the major basis of antisemitism and it's apex the Holocaust
