Dining with the Durrells David Shimwell, Lee Durrell, 2019-03-28 We lolled in the sea until it was time to return for tea another of Mother's gastronomic triumphs Tottering mounds of hot scones crisp paper thin biscuits cakes like snowdrifts oozing jam cakes dark rich and moist crammed with fruit brandy snaps brittle as coral and overflowing with honey Conversation was almost at a standstill all that could be heard was the gentle tinkle of cups and the heartfelt sigh of some guest accepting another slice of cake My Family and Other Animals Gerald Durrell In Dining with the Durrells David Shimwell has delved into the Durrell family archives to uncover Louisa Durrell's original recipes for the scones cakes jams tarts sandwiches and more that are so deliciously described by the Durrell family From her recipe for Gerry's Favourite Chicken Curry to Dixie Durrell Scones with Fig and Ginger Jam and including the family stories and photos that accompany them this book will transport you to long lunches enjoyed on the terrace of a strawberry pink villa sunshine filled picnics among the Corfu olive groves and candlelit dinners overlooking the Ionian Sea **The Durrells of Corfu** Michael Haag, 2017-04-20 The Durrell family are immortalised in Gerald Durrell's My Family and Other Animals and its ITV adaptation The Durrells But what of the real life Durrells Why did they go to Corfu in the first place and what happened to them after they left The real story of the Durrells is as surprising and fascinating as anything in Gerry's books and Michael Haag with his first hand knowledge of the family is the ideal narrator drawing on diaries letters and unpublished autobiographical fragments The Durrells of Corfu describes the family's upbringing in India and the crisis that brought them to England and then Greece It recalls the genuine characters they encountered on Corfu Theodore the biologist the taxi driver Spiro Halikiopoulos and the prisoner Kosti as well as the visit of American writer Henry Miller And Haag has unearthed the story of how the Durrells left Corfu including Margo's and Larry's last minute escapes before the War An extended epilogue looks at the emergence of Larry as a world famous novelist and Gerry as a naturalist and champion of endangered species as well as the lives of the rest of the family their friends and other animals The book is illustrated with family photos from the Gerald Durrell Archive many of them reproduced here for the first time **Science Fiction and Fantasy Literature Vol 2** R. Reginald, Mary A. Burgess, Douglas Menville, 2010-09-01 Science Fiction and Fantasy Literature A Checklist 1700 1974 Volume Two of Two contains Contemporary Science Fiction Authors II Myth and Reality in the Rain Forest John F. Oates, 1999 This book offers a timely clear headed and uniquely important contribution to conservation one that should be read by all bureaucrats scientists and others involved with development projects that supposedly benefit wildlife and wilderness George B Schaller author of Wildlife of the Tibetan Steppe *The Durrells* Richard Bradford, 2025-06-05 A variously tragic tale of escapism and assimilation Richard Bradford's The Durrells explores the truth behind the image The Durrells are probably the most celebrated literary family of the 20th century Gerald turned them into celebrities with his tripartite memoir beginning with My Family and Other Animals 1956 which told of his experiences with

his widowed mother Louisa and three siblings during their time in 1930s Corfu We know of the Durrells from their own writings and from the image of them created by TV film and biographical accounts of specific figures What we do not know is the truth Using previously unpublished material from the Jersey Archive Richard Bradford unravels the lives of the famous four children of the Corfu era Larry Gerry Margo and Lesli as they find themselves geographically and emotionally divided amongst a backdrop of imperial decline and unrest The children of moneyed colonialists they were already used to being treated with aghast fascination by the island's locals and by expatriate Britons as a disgrace to the homeland Yet their story goes beyond the Ionian Sea and The Durrells delves into the complex social and political circumstances in which the family lived with seemingly constant threats of war and endangerment to both themselves and their natural environment
