3D Printing of Pharmaceuticals and Drug Delivery Devices Dimitrios A. Lamprou, 2020-07-01 The 3D printing 3DP process was patented in 1986 however only in the last decade has it begun to be used for medical applications as well as in the fields of prosthetics bio fabrication and pharmaceutical printing 3DP or additive manufacturing AM is a family of technologies that implement layer by layer processes in order to fabricate physical models based on a computer aided design CAD model 3D printing permits the fabrication of high degrees of complexity with great reproducibility in a fast and cost effective fashion 3DP technology offers a new paradigm for the direct manufacture of individual dosage forms and has the potential to allow for variations in size and geometry as well as control dose and release behavior Furthermore the low cost and ease of use of 3DP systems means that the possibility of manufacturing medicines and medical devices at the point of dispensing or at the point of use could become a reality 3DP thus offers the perfect innovative manufacturing route to address the critical capability

gap that hinders the widespread exploitation of personalized medicines for molecules that are currently not easy to deliver This Special Issue will address new developments in the area of 3D printing and bioprinting for drug delivery applications covering the recent advantages and future directions of additive manufacturing for pharmaceutical products *America's Secret Jihad* Stuart Wexler,2016-06-14 The conventional narrative concerning religious terrorism inside the United States says that the first salvo occurred in 1993 with the first attack on the World Trade Center in New York City This narrative has motivated more than a decade of wars and re prioritized America s domestic security and law enforcement agenda But the conventional narrative is wrong A different group of jihadists exists within US borders This group has a long but hidden history is outside the purview of public officials and has an agenda as apocalyptic as anything Al Qaeda has to offer Radical sects of Christianity have inspired some of the most grotesque acts of violence in American history the 1963 Birmingham Church bombing that killed four young girls the Mississippi Burning murders of three civil rights workers in 1964 the assassination of Martin Luther King Jr in 1968 the Atlanta Child Murders in the late 1970s and the Oklahoma City Bombing in 1995 America s Secret Jihad uses these crimes to tell a story that has not been told before Expanding upon the author s ground breaking work on the Martin Luther King Jr murder and through the use of extensive documentation never before released interviews and a re interpretation of major events America s Secret Jihad paints a picture of Christian extremism and domestic terrorism as it has never before been portrayed *Borderology* Jan Selmer Methi,Basia Nikiforova,2023-05-17 This book develops and establishes knowledge about borderology in the border zone between different countries cultures and climatic environment The content of border and border zone has during our research changed from being a physical border between states to different borders and border zones which also include social and mental borders The COVID 19 pandemic has challenged the concept even more The expressions lockdown and social distance indicate such borders that we a short time ago had largely not considered in our everyday life Not only states closed their borders regions inside a country and even borders within families were established Illegally passing these borders could crate strong reactions both from the nature by a disease or by the authorities with fees The pandemic has not only challenged our understanding of borders and border zones but it has also challenged our understanding of human rights and especially our understanding of what freedom is **Effective People** T V Rao,2015-12-15 Is Shah Rukh Khan an effective actor Is Naresh Trehan an effective doctor Was A P J Abdul Kalam an effective nation builder Are you an effective person In this book bestselling author T V Rao studies and analyses effective doctors actors civil servants social workers educationists nation builders and entrepreneurs Some of them seem to go beyond the tenets of effectiveness and shine out as what the author calls Very Effective People and Super Effective People His diverse examples and cases range from A P J Abdul Kalam Devi Shetty Anil Gupta to Kangana Ranaut Sachin Tendulkar Anupam Kher to ordinary people whose lives are no less effective Hugely readable with self assessment tools at the end of each chapter Effective People will propel you to leap forward and discover the best in you **Prayer**

Books and Piety in Late Medieval and Early Modern Europe / Gebetbücher und Frömmigkeit in Spätmittelalter und Früher Neuzeit Maria Crăciun, Volker Leppin, Katalin Luffy, Ulrich A. Wien, Christopher B. Brown, Günter Frank, Barbara Mahlmann-Bauer, Tarald Rasmussen, Violet Soen, Zsombor Tóth, Günther Wassilowsky, Siegrid Westphal, 2023-05-15 This collected volume is dedicated to the role of prayer books in lay piety in medieval and early modern contexts Instead of focusing on individual examples it places them within the broader genre of devotional literature and considers them in connection with prevailing cultural religious and artistic developments taking into account the Reformation the printing press and growing interest in lay piety in the context of increasing individualism developing literacy privatization and or personalization of religion Contextualising devotional literature the volume refines understandings of religious practice fostered by traditional Catholicism and early modern Protestantism and its relationship with the written word locating the use of books within a devotional diet that included oral recitation of prayers as well as contemplation of images Stressing continuities often against the grain of existing literature this volume highlights differences between regional cultures of prayer in contrast to norms set by the universal Church and emphasizes the tension between public communal and private individual devotion
