

Joana/Mancow's Leveling guide for Horde

NOTE: that this is what I do to level, I do some stuff that some of you may think like, "what?, what about Hillsbrad?", yes I skip most of Hillsbrad, but this is just part of how I level. And also, I mainly solo the whole game, when I'm playing on new servers, I can't group with anybody cause I'm always like 10 levels above everybody else, so I have to solo everything, but I will also explain stuff you can do with groups. Before I get started on my leveling pattern, I'm gonna start to say how I came up with my pattern.

The first time I went through the game, I attempted virtually EVERY quest, by doing this I learned what quests are worth doing, and which quests should be avoided (because some quests are not good enough for the time/XP reward, and some quests are just down right too hard to solo at certain levels. How did I find out about all the quests? Easy, websites such as Thottbot.com and wow.allakhazam.com show you EVERY quest in the game, and give huge amounts of detail about where all the quest mobs/items are at, and how much the XP reward is for it and everything. And the first time I went through the game I read EVERY quest description and took my time REAL slowly, learning everything I can about the game, I tried every profession, I did every instance like at least 5 times, and (with my dedication) I studied websites on every instance, about the loot from the mobs, all the quests for them, and the correct way to do each one. As I played through the game the first time I constantly pressed "M" key to see the map to see where I was, so I can memorize the game world and where everything is at exactly (heck I still do that now!). This guide has only been in my head, until now. This quest pattern in my opinion is VERY accurate and will show people the fastest way to do most of all the Horde quests in the game in the least amount of time and will give other hints on how to do them too. This is the same questing pattern I used to get 4 days 20 hours /played time to 60 on a new server, and has even been revised for the better!

Also the quest patterns are pretty much the same no matter what class you choose (except you have to do your class's quests which aren't a whole lot). I'm going to give my quest patterns starting with a hunter in Durotar.

If you come across any quest that you don't know where or how to do it, simply look it up at either wow.allakhazam.com or Thottbot.com, they will tell you everything about the quest. If you are confused as to where the specific zones are at, then [this map](#) should help you find them.
