Bergon, 2020-06-15 Frank Bergon's newest work is a thoughtful exploration of the ways that memories of random childhood events become unexpected revelations about life in the West In many senses this project is a personalized version of Two Buck Chuck The Marlboro Man where Bergon explored the ways that a multiethnic and multiracial society shaped and continues to shape the day to day lived realities of the residents and communities of the San Joaquin Valley Bergon's latest book creation however is more elegiac in tone paying tribute to ranching and farming lives that are disappearing under suburban and exurban sprawl industrial farming and white collar job growth **Chainsaws, Slackers, and Spy Kids**

Alison Macor, 2023-01-06 During the 1990s Austin achieved overnight success and celebrity as a vital place for independent filmmaking Directors Richard Linklater and Robert Rodriguez proved that locally made films with regional themes such as Slacker and El Mariachi could capture a national audience Their success helped transform Austin's homegrown film community into a professional film industry staffed with talented experienced filmmakers and equipped with state of the art production facilities Today Austin struggles to balance the growth and expansion of its film community with an ongoing commitment to nurture the next generation of independent filmmakers Chainsaws Slackers and Spy Kids chronicles the evolution of this struggle by re-creating Austin's colorful movie history Based on revealing interviews with Richard Linklater Robert Rodriguez Mike Judge Quentin Tarantino Matthew McConaughey George Lucas and more than one hundred other players in the local and national film industries Alison Macor explores how Austin has become a proving ground for contemporary independent cinema She begins in the early 1970s with Tobe Hooper's horror classic The Texas Chainsaw Massacre and follows the development of the Austin film scene through 2001 with the production and release of Rodriguez's 100 million blockbuster Spy Kids Each chapter explores the behind the scenes story of a specific movie such as Linklater's Dazed and Confused and Judge's Office Space against the backdrop of Austin's ever expanding film community *The Kids from Nowhere* Mr. George Guthridge, 2011-04-01 This heart lifting story about uneducable children who lived on a wind swept island in the Bering Sea had no computers and few books and spoke English as a second language With the help of

endured thirty five operations one without anesthesia just as remarkable was his decision to reinvent himself as a journalist and enter one of the most public of professions Blue Eyed Boy is a gripping occasionally comic account of what it took for an ambitious man aware of his frightful appearance but hungry for meaning and accomplishment to master a new craft amid the pitying stares and shocked reactions of many he encountered on a daily basis By the 1980s Timberg had moved into the upper ranks of his profession having secured a prestigious Nieman Fellowship at Harvard and a job as White House correspondent for The Baltimore Sun Suddenly his work brought his life full circle the Iran Contra scandal broke At its heart were three fellow Naval Academy graduates and Vietnam era veterans Oliver North Bud McFarlane and John Poindexter Timberg s coverage of that story resulted in his first book The Nightingale s Song a powerful work of narrative nonfiction that follows these three academy graduates and two others John McCain and Jim Webb from Annapolis through Vietnam and into the Reagan years In Blue Eyed Boy Timberg relates how he came to know and develop a deep understanding of these five men and how their stories helped him understand the ways the Vietnam War and the furor that swirled around it continued to haunt him and the nation as a whole as they still do even now nearly four decades after its dismal conclusion Like others of his generation Robert Timberg had to travel an unexpectedly hard and at times bitter road In facing his own life with the same tools of wisdom human empathy and storytelling grit he has always brought to his journalism he has produced one of the most moving and important memoirs of our time

Third World Child GG Alcock,2014-08-15 GG Alcock s parents Creina and Neil were humanitarians who gave up comfortable lives to move to rural Zululand In a place called Msinga a dry rock strewn wilderness and one of the most violent places in Africa they lived and worked among the Mchunu and Mthembu tribes fighting for the rights of people displaced by the apartheid government s policy of forced removals They also fought against the corruption of police and government officials as well as local farmers which did not sit well with their white fellow citizens When GG was fourteen his father was assassinated by rival tribesmen

GG's early life in rural Zululand in the 1970s and 80s can only be described as unique. He and his brother Khonya both initially home schooled by their mother grew up as Zulu kids herding goats and playing with the children of their neighbours learning to speak fluent Zulu learning to become Zulu men under the guidance of Zulu elders and learning the customs and history of their adopted tribes. Armed with their father's only legacy the skills to survive in Africa both young men were ultimately forced to move into the white world which was largely unknown to them. In many ways GG Alcock's story mirrors that of many of his people the journey of a tribal society learning to embrace the first world. He does not shy away from the violence and death that coloured his childhood years surrounded by savage faction fighting nor how they affected his adult life. His story in *Third World Child* is one of heartbreak and tragedy and paradoxically of vibrant hope and compassion. A restless energy and sardonic humour permeate his writing which is compelling in its honesty and spontaneity. *Life Itself* Roger Ebert, 2011-09-13 Named one of the 100 greatest film books of all time by The Hollywood Reporter this singular warm hearted inspiring look at life itself is the best thing Mr Ebert has ever written. Janet Maslin New York Times To make ourselves unhappy is where all crime starts. We must try to contribute joy to the world. That is true no matter what our problems our health our circumstances. We must try. I didn't always know this and am happy I lived long enough to find it out. Roger Ebert was the best known film critic of his time. He began reviewing films for the Chicago Sun Times in 1967 and was the first film critic ever to win a Pulitzer Prize. He appeared on television for four decades. In 2006 complications from thyroid cancer treatment resulted in the loss of his ability to eat drink or speak. But with the loss of his voice Ebert became a more prolific and influential writer. And in *Life Itself* he told the full dramatic story of his life and career. In this candid personal history Ebert chronicled it all his loves losses and obsessions his struggle and recovery from alcoholism his marriage his politics and his spiritual beliefs. He wrote about his years at the Sun Times his colorful newspaper friends and his life changing collaboration with Gene Siskel. He shared his insights into movie stars and directors like John Wayne and Martin Scorsese. This is a story that only Roger Ebert could tell filled with the same deep insight dry wit and sharp observations that his readers have long cherished. **The Liberation of Winifred Bryan Horner** Elaine J. Lawless, 2018-03-05 This inspiring tale of grit and determination sprinkled with humor wit and a taste of irony is the story of Winifred Bryan Horner's journey from a life of domesticity on the family farm after World War II to becoming an Endowed Professor. Over four months Elaine visited Win on Wednesdays to interview her about her life. Sadly just

one week after the conclusion of the final interview Win unexpectedly passed away before Elaine could give her the final transcripts With the support of Win s family Elaine set out to finish this book on Win s behalf Win s story is one that will inspire and resonate with women as they continue to work toward equality in the world That's So High School Leah Tucker, Ellie Bakker the heroine of That s So High School thought she knew everything about high school Her own high school experiences taught her some basic truths 1 high school romances never work out 2 bad yearbook pictures can haunt you for years to come and 3 prom is never as perfect as it should be In her eighth year of teaching history at her alma mater Ellie is constantly witness to these and other dramas of high school When she is reluctantly put in charge of planning the prom with a committee of eager students she becomes the subject of that drama As prom advisor Ellie is forced to relive some painful high school memories especially when her high school crush and her own prom let down the perfect Dr Steve Allen re enters her life This heartbreaker cardiologist reminds her of the nerd she was in high school To make matters worse Ellie s sister Jill is determined to get Ellie married off before she reaches her dating expiration date This puts Ellie in another uncomfortable setting the dating scene In an effort to find the perfect date for this prom Ellie dives in to modern dating Humorous experiences with online dating speed dating and blind dating lead Ellie to reevaluate her beliefs high school and otherwise **Abraham Rodriguez** Richard Andersen,2013-08-01 Abraham Rodriguez is a Puerto Rican novelist short story author and musician who spends much of his time in Germany This timely book features an in depth look at the life of the author as well as a close examination of his most widely read works Each work covered reveals plot summary excerpts character analysis and literary themes Critical analysis within each of Rodriguez s work is presented while students learn how to identify themes analyze how elements in the text interact and how to identify the informational context behind fictional treatment of words *Fat Kid's War* F.K.
