Press the On/Off button and select your country code (code only required the first time). Create a profile for each child who will play with the handheld (it can store up to three profiles—pick a name that is easy to remember and can also be used for online profiles). Select a profile on the Player Select screen.

3. Connect Online to Download Your Included Title: Turn on the handheld and connect it to your computer using the included USB cable. Choose a player profile in the LEAPSTER² view of the Connect Application. Follow the on-screen directions to select and download your child's game of choice. Disconnect the handheld from your computer for on-the-go play!

**If you already have the LEAPFROG Connect Application installed for another device, you will still need to insert the included CD-ROM to install your LEAPSTER² software. If the included CD-ROM doesn't work or is lost, go to leapfrog.com/gaming/leapster2 to download the application.*
