1

Welcome to the LeapFrog Connect Application, a comprehensive system for managing all of your LeapFrog Connected toys! This Quick Start Guide provides basic instructions to get you started with LeapFrog Connect. Visit the LeapFrog Customer Support website for user guides, video tutorials and other support materials (<http://www.leapfrog.com/support>). Visit the LeapFrog Connect online Help to guide you through the application features (http://lfccontent.leapfrog.com/help/LeapFrog_Connect_Help.htm).

Setting up the LeapPad tablet

- Insert batteries and then turn on the LeapPad tablet.
- Select your country (required the first time only).
- When prompted, create a player name for each child that will play with the LeapPad (up to 3 can be stored).

Installing the LeapFrog Connect Application

- Insert the LeapFrog Connect CD (included in the box) into your computer or download the installer from the LeapFrog Customer Support website (<http://www.leapfrog.com/support>).
- Follow the prompts to install the LeapFrog Connect Application.

Setting up a LeapFrog Parent Account

- Open the LeapFrog Connect Application by double-clicking the LeapFrog Connect icon on your desktop (if it is not already open).
- 1 Follow the on-screen instructions to connect your toy, set up a LeapFrog parent account, and enter information to create a personal LeapFrog® Learning Path for your child. For more information, see the [LeapFrog Connect Quick Start Guide](#).

Downloading learning apps

- On the LeapFrog Home screen, click a player name in the LeapPad box. 2
- Click App Center in the left navigation to visit the LeapFrog App Center where you can purchase and download games, eBooks, videos and more to your LeapPad.
- Browse through the library to find the learning app your child would like to play. 3
- When you find an item you're interested in, click on the image to see its product details page, including a description of the app, skills taught, recommended ages, and more. 4
- To purchase an app, redeem an App Center Download Card or code to fund your account balance or use a credit card (credit cards may not be accepted in all countries).

Connect often!

- Connect the LeapPad to your computer often to keep your child's Learning Path up to date. Visit <http://www.leapfrog.com/support> to view the LeapPad tutorials and learn more.
- Kids can get pet treats, pet shampoo and Micromodels!

The LeapPad tablet may not be available in all countries. Screenshots are for illustrative purposes only. Actual screenshots may vary.

A Profile of the United States Toy Industry Christopher Byrne,2013-10-31 The toy industry is one of the most consistently misunderstood sectors of American business That s no surprise because on many levels it resists easy definition It s a commodity business No it s a fashion business No it s a consumer products business No it s an entertainment business The fact is it s all of these businesses each of which addresses and responds to market forces differently And often especially with the larger publicly traded companies all of these businesses share a balance sheet This book will provide a concise and in depth introduction to the structure practices and market forces that impact the toy industry It will offer a short history of the industry a description of the current market landscape major and emerging industry competitors contemporary trends changes and expectations for the future It will further cover aspects of retailing consumer behavior and financial markets as they relate to the industry As noted the book will focus primarily on the U S toy industry but will provide guidelines for extrapolating the information to the global toy market and a highlight of those issues such as manufacturing that are relatively consistent worldwide The book is intended to provide a foundation for understanding the diverse and changing nature of the toy industry and to help readers

develop a context for appreciating it relevant to other more predictable and definable industries Many students and professionals for that matter come to the toy industry ill equipped for success because they are unable to understand the various disciplines and business practices it encompasses and therefore unable to apply those practices appropriately for the product or product category A preschool toy will never behave like a toy from a hot movie It s something many successful people in the business know and have learned over time but it remains a mystery to the uninitiated Withal this book is intended as an initiation into a fascinating fast paced and fiercely competitive business that is very often more an art than a science
